

Local Government Climate Action Program Survey Submission Report

100 Mile House

Report generated on Tuesday, June 21, 2022 14:24 PST

Question	Answer
1. Does your local government or Modern Treaty Nation have a climate action plan or strategy?	Yes
1.a. Indicate the date the plan was adopted.	Feb. 2013
1.b. Include a link to the document (URL) or webpage.	http://www.100milehouse.com/sites/default/files/2021-01/Carbon_Neutral_Plan_2013_February.pdf
2. For the calendar year 2021, did your local government or Modern Treaty Nation measure and publicly disclose corporate greenhouse gas (GHG) emissions?	No, we have been measuring and publicly disclosing corporate greenhouse gas (GHG) emissions under the CARIP program, but ceased to track emissions in 2021 when CARIP was suspended.
3. For calendar year 2021, did your local government or Modern Treaty Nation measure and publicly disclose a community-wide emissions inventory?	Yes, we use data from the Community Energy and Emissions Inventory (CEEI)
3.d. Include a link to the document (URL) or webpage where it is disclosed.	https://www2.gov.bc.ca/gov/content/environment/climate-change/data/ceei

3.e. What are your total community-wide emissions (in tCO ₂ e)?	10143
3.f. What are the sectoral emissions from energy use in buildings (in tCO ₂ e)?	8550
3.g. What are the sectoral emissions from energy use in transportation (in tCO ₂ e)?	0
3.h. What are the sectoral emissions from methane at landfills (in tCO ₂ e)?	628
3.i. What are the indirect emissions from electricity used in the community (in tCO ₂ e)?	368
3.j. What is the energy use from electricity (in kWh)?	26938000
4. Is your local government or Modern Treaty Nation tracking progress on its community-wide GHG reduction target?	No
4.e. If no, select all that apply:	"No, we were tracking emissions but CEEI data is not current."
5. Describe up to four climate initiatives, and their outcomes, your local government or Modern Treaty Nation is currently undertaking for Buildings	Upgrading lighting, heating and cooling systems in municipal buildings.

6. Describe up to four climate initiatives, and their outcomes, your local government or Modern Treaty Nation is currently undertaking for Transportation	Charge North Electric Vehicle Charging Stations
7. Describe up to four climate initiatives, and their outcomes, your local government or Modern Treaty Nation is currently undertaking for Community	Community water and sewer infrastructure upgrades Active Transportation Plan
8. Describe up to four climate initiatives, and their outcomes, your local government or Modern Treaty Nation is currently undertaking for Climate Resilience	N/A
9. Which elements of your community's current official community plan (OCP) (or other relevant strategies, policies and/or plans) support the creation of more complete, compact communities?	Commercial and residential OCP policies
10. What actions has your local government or Modern Treaty Nation taken to increase community completeness and compactness since 2020 (e.g. urban containment boundary, increasing density by allowing secondary suites and laneway or carriage housing options)?	allowing secondary suites and carriage housing in some zones, beginning in 2016.
11. What data would be most valuable to your local government or Modern Treaty Nation in decision-making related to the creation of complete, compact communities?	N/A
12. From 2021 to now, has your local government or Modern Treaty Nation taken any action(s) to address climate impacts?	We have been responding to climate related impacts, and not focused on climate adaptation.
13. Has a climate risk and vulnerability assessment (or similar assessment) been undertaken for your local government or Modern Treaty Nation?	No, and we are not intending to undertake due to lack of expertise/technical capacity

14. What are the three most significant climate hazards faced by your jurisdiction	"Wildfire", "Wind, rain, and other storm events", "Extreme cold, snow and ice", "Ecological, cultural and/or human health impacts (examples of cultural impacts include threats to identities, languages, and livelihoods; examples of ecological impacts include biodiversity loss, erosion, invasive species, ecosystem changes)", "Water shortage", "Coastal flooding, storm surge events and/or other coastal hazards", "Extreme heat and heat stress", "Overland flooding"
15. Are you responding to this survey on behalf of a Modern Treaty Nation?	No
16. Based on the hazard you indicated as most significant in question 14, as a local government, which groups are most exposed/vulnerable to the impacts of that climate hazard?	"Low-income households", "People experiencing homelessness", "Seniors"
17. Based on the hazard you indicated as second most significant in question 14, as a local government, which groups are most exposed/vulnerable to the impacts of that climate hazard?	"Low-income households", "People experiencing homelessness", "Seniors"
18. Based on the hazard you indicated as third most significant in question 14, as a local government, which groups are most exposed/vulnerable to the impacts of that climate hazard?	"Low-income households", "People experiencing homelessness", "Seniors"
19. Select the top three factors your local government or Modern Treaty Nation needs most to increase the capacity to adapt to climate impacts and build community resilience.	"Increased funding", "Increased staff knowledge, expertise and data specific to climate adaptation", "Increased staff capacity"
20. How does your local government or Modern Treaty Nation ensure equitable access to, and distribution of, climate action opportunities and benefits?	"Do not know how or if equity is being integrated into our climate action work"
21. Do the climate action plan(s) and priorities of your local government or Modern Treaty Nation align with the climate action plans and priorities of senior levels of government?	"Yes, we assess our plans and priorities for multilevel alignment"

22. Is your local government a signatory to the B.C. Climate Action Charter or a Modern Treaty Nation?	Yes
23. To demonstrate commitment to climate action, climate investments (i.e., matching funding or in-kind contributions) equivalent to 20% of the provincial funding received are required of local governments and Modern Treaty Nations. The intent is to show past, current, and future investments in climate action and create awareness and education.	"Staff time", "Climate resilient infrastructure and/or capital project(s)"
24. Please provide your (or survey primary contact's) first and last name.	Joanne Doddridge
25. Please indicate your (or survey primary contact's) position with your local government or Modern Treaty Nation.	Director of Economic Development & Planning
26. Please provide your (or survey primary contact's) business email address.	jdoddridge@100milehouse.com
27. Please provide your (or survey primary contact's) business phone number.	2503952434

Local Government Climate Action Program Attestation Form

Instructions for the Attestor:

1. Complete and sign this form by filling in the fields below.
2. Email the completed and signed form to LGCAP@gov.bc.ca.

I, the Chief Financial Officer, or equivalent position, of District of 100 mile House (name of local government) confirm the following:

1. That Local Government Climate Action Program funding has been, or will be, allocated to climate action.
2. That if funds are held in reserve, they will be spent by the end of March 2025.
3. That a completed and signed version of this form will be submitted by email to the Climate Action Secretariat, Ministry of Environment and Climate Change Strategy by July 29, 2022.
 - a. If council approval is required, it will be submitted no later than September 30, 2022.
4. That a completed and signed version of this form will be publicly posted by September 30, 2022.
5. That a completed and exported version of the program survey (submitted online) will be publicly posted by September 30, 2022.

Attested to by me at (name of local government) District of 100 mile House
on (date) 22nd June 20 22

Signature of Attestor: [Handwritten Signature]

Printed Name of Attestor: Tommy Boulanger

Title or Profession of Attestor (i.e. Chief Financial Officer or equivalent position):
Director of Finance
