

A photograph of a spray park entrance. A large, bright orange archway frames the scene. To the left, a tall green pole supports a large, colorful butterfly sculpture with yellow and red wings. In the background, there are green trees and a light-colored building. The ground is wet, suggesting recent rain. A white sign with blue text is overlaid on the image.

**SPRAY PARK
OPEN**

The logo for the District of 100 Mile House, featuring a stylized mountain, trees, and water within a diamond shape.
