Dear 100 Mile House District Mayor and Council:

MAY 17 2021

DISTRICT OF 100 MILE HOUSE
BRITISH COLUMBIA

It has been brought to my attention that the South Cariboo Chamber is in need again of Executive Director. I have watched several ED's come and go over the years as their circumstances have changed and they needed to move on in life. The South Cariboo is my family's home and will always be.

I'm writing you because I am interested in the position of ED because I feel the community and local businesses need stability within the Chamber to promote business through the Covid-19 pandemic and beyond. There's also a need for someone that is very proactive on social media and the ability to update and grow the Chamber website. The Chamber is very excited about our future and moving forward.

As many of you may know I've been involved in the South Cariboo community and its events over the past 22 years, first with New Age Entertainment and then CaribooRadio.Com. Many don't know what CaribooRadio.Com actually does here in the S. Cariboo.

CR.C administrates several local businesses social medias platforms, builds online ads, builds and adminis websites for local businesses and promotes the Cariboo Chilcotin and the many events happening every year across the region.

I know I would be a good fit for this position because of what I've done and continue to do in the area and I'm looking very much forward to getting back to our amazing local events. I'm very passionate about the community and small business and always want them to thrive.

In order for me to take on this position, CaribooRadio.Com would need a small space in the Chamber office to set up the equipment to stream Cariboo Radio's web-player and mobile apps. An 8'x6' space is needed for the equipment and the Chamber office could easily accommodate this space without affecting the Chambers Day to Day operations.

I could put small room dividers around the desk and equipment as well. I understand that the District pays the bills and rent at the Chamber office and CR.C would offer a minimal fee to rent that space or trade for advertising the District of 100 Mile House.

95% of my work with CaribooRadio.Com I can do from home, but I don't have enough internet at home to stream CR.C yet and that's why I'm maintaining an office in town.

I can easily work for the Chamber from 10:am-2:pm daily and get other work done as well. I would look forward to going out and visiting Chamber businesses and encourage others to join the Chamber as well.

Your kind attention as soon as possible is appreciated as I am sure you understand the position needs to be filled.

Thank you for your time. If you have any questions, please feel free to contact me.

Subject: BC PNP Entrepreneur Immigration Regional Pilot Program

Announced last week, the BC Provincial Nominee Program (BC PNP) Entrepreneur Immigration Regional Pilot Program has been extended for another 3 years – until March 2024.

The BC PNP EI – Regional Pilot is focused on attracting entrepreneurs from around the world to establish businesses in regional communities. This will help meet the communities' economic development needs and encourage investments outside urban areas.

District Planner, Joanne Doddridge will provide a short overview of the District's experience with the program since inception, and outline the changes proposed for the next 3 years.
