To: Maureen Pinkney <mpinkney@100milehouse.com>
Subject: **WHITE CANE WEEK & COUNCIL**

Hello, Maureen!

I was thinking about your plan to have community groups make a presentation to District Council and thought with National White Cane Week coming up soon, February 5 – 11, it may be a good time to try and schedule in the White Cane Club.

If I am correct, District Council meetings are held on the second Tuesday of each month; will that be the same for February as well considering the second Tuesday will be Valentine's Day? Would these presentations take place at a Council meeting or was there another plan in mind?

Anyway, I'm just thinking ahead and thought it would be a great addition to White Cane Week if we were able to coordinate both WCW and the Council presentation.

Subject: Delegation request

Hello,

I represent the BC Rural Health Network and would like to make a presentation to council to request the membership of 100 Mile House in our network. I couldn't find a delegation form online and not sure what your process is. Please let me know how to proceed.

Yours in health and wellness,
Paul

The BCRHN is the healthcare voice of the rural residents of British Columbia and seeks better health outcomes for all people, through solutions-based approaches with governments, and information provision to residents.

The BCRHN is grateful to live, work, and be in relation with people from across many traditional and unceded territories, covering all regions of British Columbia. We are honoured to live on this land and are committed to reconciliation, decolonization, and building relationships in our communities.

Combating the Rural Healthcare Crisis

About the BC Rural Health Network

Originally formed in 2017

A collective of health advocacy groups from across rural BC

Grew organically through the need for representation on rural health

Expanded to include municipalities

Expanded to include University Research and other active Non-Profits

Our Purpose

Our Work

Communication Conduit

- we listen to our membership and the general public to hear about community level challenges.
- we transfer knowledge to our membership and the general public from trusted sources.
- we transfer knowledge from the membership and the general public to governments.
- we provide local and regional solutions to authorities through high level interaction with policy makers.
- we inform the grassroots of our communities, our volunteers, our hospice workers, our community services and generally work to improve the recognition of rural healthcare providers.

Community volunteers are the backbone of our Board of Directors.

Advocacy

- We advocate for equity in health outcomes for all British Columbians
- We advocate for the ability to live in place in rural BC
- We advocate for a robust public healthcare system
- We advocate for science based management and solutions
- We advocate for community centric care and community based health management teams

We are apolitical, we are solutions based, we are a registered charity

Please join us and add the voice
of your community to ours
