Neutral Space Bylaw/Policy Proposal 100 Mile House Mayor and Council

February 6, 2025

Proposal to Mayor and Council of 100 Mile House in consideration to implement a "Neutral Space Bylaw or Policy".

A Neutral Space Policy would protect Mayor and Council from unwanted conflict by making governing decisions easier to implement, allowing our elected officials to remain neutral and avoid division in our community.

For clarification; neutral means the state of not supporting or favouring either side in a conflict, dispute, or debate. It implies impartiality, objectivity, and an absence of bias or preference toward any specific group, viewpoint, ideology, or outcome.

NEUTRAL SPACE BYLAW

BEING A BYLAW OF THE TOWN OF 100 MILE HOUSE IN THE PROVINCE OF BRITISH COLUMBIA FOR THE PURPOSE OF ENSURING PUBLIC BUILDINGS, CROSSWALKS AND FLAGS ON PUBLIC PROPERTY REMAIN NEUTRAL IN THE TOWN.

The NEUTRAL SPACE BYLAW will ensure that public buildings, crosswalks and flags on public property remain neutral, adhering to the following:

Crosswalks will only be painted in the standard white striped pattern (meaning "continental" or "ladder") between two parallel lines.

Decorations will not be permitted on Crosswalks.

Only national flags, the provincial flag of British Columbia, or Town of 100 Mile House flags are to be raised on flagpoles on Public Property or facilities.

Flags displaying or supporting Political Movements, Social Movements, Religious Movements, or Commercial Entities, will not be permitted to be displayed on flags on Public Property or facilities.

Any Crosswalks or flags located in the Town that contravene this bylaw shall be removed, and no grandfathering shall be authorized.

POLICY

1. Definitions

“Chief Administrative Officer” means the individual appointed by Council to the position of Chief Administrative Officer (or his/her designate) as the head of Administration.

“Council” means the duly elected officials of the City, those being the Mayor and Councillors.

“Policy” means general statements or guidelines that are high-level in nature, as opposed to being operationally oriented, which direct a plan, course of action or decision, according to a standard or performance outcome.

2. Flag Etiquette

- a) Only the National Flag of Canada, the Provincial Flag of British Columbia, and the City of Mission Flag are raised at City facilities. During Veterans' Week, the City of Mission Flag shall be replaced with the Royal Canadian Legion's Poppy Flag.
- b) Flags displayed at City facilities shall be displayed, in general, in accordance with the Government of Canada Flag Protocol, as amended from time to time. Flags should always be treated with dignity and displayed properly out of respect for what and who they represent.
- c) When used on a speaker's platform, the Canadian Flag should be flown to the right of the speaker. If displayed flat against the wall at the back of the platform, the flag should be above and behind the speaker. The Canadian Flag shall not be used to cover a table or seat or be draped in front of a platform, dais, barrier, etc. When used in the body of a meeting place, the Canadian Flag should be flown to the left of the audience, as seen by the audience.

- d) Flags flown together should be approximately the same size and flown from separate flagpoles at the same height.
- e) No flag shall be flown or displayed above the Canadian Flag.
- f) When two, or more than three flags are flown together, the Canadian Flag shall be on the left, as seen by spectators in front of the flags, with the other flags flown in order or precedence.
- g) When three flags are flown together, the Canadian Flag shall occupy the central position, with the next ranking flag to the left, and the third ranking flag to the right, as seen by spectators in front of the flags.
- h) When it is practical, the Canadian Flag is flown from sunrise to sunset; however, it is not contrary to etiquette to have the flag flying at night.
- i) While it is not technically incorrect to use the Canadian Flag to cover a statue, monument, or plaque for an unveiling ceremony, this practice should be discouraged.

3. Flag Care

- a) Every effort should be made to ensure that flags are kept in good repair.
- b) When a flag becomes noticeably worn, faded or otherwise unfit for service, to prevent its desecration, it should be disposed of privately by burning.

4. Half-Masting

- a) A flag flown at half-mast is the universal symbol of mourning. Only flags secured to flagpoles with halyards and pulleys will be half-masted.
- b) On occasions requiring one flag to be flown at half-mast, all other flags flown with it should also be at half-mast.
- c) Flags shall remain at half-mast from the time of death, until the evening of the day of the funeral or one week, whichever is shortest.
- d) Flags shall be flown at half-mast on the following occasions:
