Official Community Plan and Zoning Bylaw

Addendum #1

Posted Feb. 11, 2025

Q: Where is the current OCP located?

A: The District's OCP can be found here: <https://www.100milehouse.com/business-development/zoning-land-use/official-community-plan>

Q: The budget is very high. Are you anticipating an exceptionally strong consultative effort?

A: The budget is an upper limit price. It may be utilized in full or in part, depending on the consultant's proposed workplan. We anticipate a competitive planning consultant realm due to provincial housing requirements and deadlines for incorporating them into municipal OCPs and Zoning Bylaws.
