Association**

I1

BE IT RESOLVED THAT Council of the District of 100 Mile House supports the application from the South Cariboo Track & Trail Association to register existing trails in the 99 Mile Recreation Area and the 100 Mile Community Forest; and further

BE IT RESOLVED THAT the District of 100 Mile House, as a Community Forest and Woodlot tenure holder, recommends the following conditions:

That trail width be kept to a minimum – not to exceed 5m;

That trail maintenance should be restricted to bucking obstructions and not cutting a buffer of dead or live trees;

That future harvest blocks will be designed to minimize impacts to trails, but crossings and adjacent harvesting will be required;

That future harvesting will likely occur in motocross off-season (winter), however, harvesting operations should be allowed to proceed unhindered regardless of season. Harvesting plans and timing of harvest operations will be communicated during the referral stage, and signage will be installed during operations; and finally

That the South Cariboo Track & Trail Association, at its own expense, install signage to keep trail users to existing trails so as not to increase disturbance in the area, as well as a reminder to leave no trace (pack out what you pack in).

<p>Development Variance Permit – 61 Dogwood Avenue</p>	<p>I2</p> <p>BE IT RESOLVED THAT Council of the District of 100 Mile House authorize staff to proceed with the notification process, including notification of adjoining property owners, of Council's intent to consider issuance of a Development Variance Permit to Emma Raine for the property located at 61 Dogwood Avenue and legally described as Lot 14, Plan 12075, DL 31, Lillooet District to vary Zoning Bylaw No. 1290, 2016, section 4.12.2 a) and b) fence heights as follows:</p> <ul style="list-style-type: none"> a) To increase the height of a fence by 0.61m between the front parcel line and the building on the parcel from 1.2 m to 1.81 m; and b) To increase the height of a fence by 0.61 m elsewhere on the parcel from 2.0 m to 2.61 m. <p>in substantial accordance with the application as submitted on April 29, 2025.</p>

**Cask & Cleaver –
Capacity Increase****I3****Res: 118/25**

Moved By: Councillor Barnett

Seconded By: Councillor Mingo

WHEREAS Cask & Cleaver Brewing has applied for a Capacity Increase from 60 patrons to a maximum of 94 seats; and

WHEREAS

- The Capacity Increase is an amendment to an existing Manufacturer's Licence for Structural Changes to an Approved Lounge or Special Event Area;
- The location of the establishment is in a commercial highway corridor, zoned C-2, and is removed from nearby residences;
- The maximum patron capacity is presently 60 persons; and

WHEREAS the impact of approval of the Capacity Increase on the community has been considered, and comments from the surrounding property owners, tenants, and the community at large have been solicited and heard by written comment and Public Hearing; therefore

BE IT RESOLVED THAT

- Council of the District of 100 Mile House confirms that it considers the impact of noise on nearby residents to be minimal;
- Council of the District of 100 Mile House confirms the capacity increase on the community will not generate a significant increase in traffic volumes, nor cause late-night policing concerns;
- Council of the District of 100 Mile House confirms that the capacity increase will demand adequate on-site parking be achieved, and therefore requires the applicant to delineate 25 on-site parking spaces with painted markings as well as arrows to show traffic circulation routes;
- Council of the District of 100 Mile House confirms

	<p>that the views of residents and businesses within 60 metres of the establishment were gathered by written invitation to provide comments in writing or in person at a Public Hearing, held May 6, 2025 at 5:30 pm. TITLE: Agricultural Land Commission Non-Farm Use application – South Cariboo Track & Trail Association

PREPARED BY: J. Doddridge, Director Economic Development & Planning

PURPOSE: To obtain Council endorsement of the non-farm use application from South Cariboo Track & Trail Association

RECOMMENDATION: Recommended Resolution:

BE IT RESOLVED THAT Council of the District of 100 Mile House supports the application from the South Cariboo Track & Trail Association to register existing trails in the 99 Mile Recreation Area and the 100 Mile Community Forest; and further

BE IT RESOLVED THAT the District of 100 Mile House, as a Community Forest and Woodlot tenure holder, recommends the following conditions:

That trail width be kept to a minimum – not to exceed 5m;

That trail maintenance should be restricted to bucking obstructions and not cutting a buffer of dead or live trees;

That future harvest blocks will be designed to minimize impacts to trails, but crossings and adjacent harvesting will be required;

That future harvesting will likely occur in motocross off-season (winter), however, harvesting operations should be allowed to proceed unhindered regardless of season. Harvesting plans and timing of harvest operations will be communicated during the referral stage, and signage will be installed during operations; and finally

That the South Cariboo Track & Trail Association, at its own expense, install signage to keep trail users to existing trails so as not to increase disturbance in the area, as well as a reminder to leave no trace (pack out what you pack in).

**BACKGROUND INFORMATION / DISCUSSION:**

The resolution contains the recommendations from the District's Community Forest / Woodlot Manager.

6. Proposal

How many hectares are proposed for non-farm use? 0.5 ha

What is the purpose of the proposal?

the purpose is to allow off road motorcycles to continue to use a trail that is through a section of ALR and have it legally registered. it is used currently by bikes, game and the odd pedal bike rider. the background behind the application is to provide riders a registered trail to travel on that avoids all high value agriculture land that exists in our area. currently they are riding with no areas legally registered on all sort of crown and private land with active grazing, fences and high value fields. by registering and providing a current trail it is our hope to reduce riders infractions on sensitive grasslands, livestock scares and fence down problems by giving them a legal and mapped area to ride that avoids all the primary concerns

Could this proposal be accommodated on lands outside of the ALR?

most of the trail system is outside of the ALR but to follow a full complete trail it passes through the ALR. the section would double back on itself and be unsafe and to short to attract any riders. if we were to cut out the section of ALR the riding area would be reduced and to quick to attract repeat riders. it needs to be minimum length it is now to ensure riders are continually returning to the site.

Does the proposal support agriculture in the short or long term?

it neither supports or degrades any agriculture use now or in the future. no visible agriculture use is present. no evidence of livestock has been present on the trail for over 10 years. the trail users have never spotted livestock in

the past 10 years. the foot print left is that of a cow trail and would most likely attract livestock to use but has not to any markable degree. our presence requires us to cut blowdown trees and clear them from the trail. most of the area is either in a 20 year old plantation or dense douglas fir stands with old lodgepole pine mixed in. in the older stand of timber lots of cutting of downed class 1 dead trees and class 2 snow damaged trees have to be cleared with each new season. no falling, no digging, no construction and no equipment will ever be needed or used to maintain the active trail

Do you need to import any fill to construct or conduct the proposed Non-farm use?

No

South Cariboo Track and Trail Association

PO Box
100 Mile House, British Columbia
V0K 2E0

Dear South Cariboo Track and Trail Association;

This letter acknowledges receipt of your application seeking authorization to construct, rehabilitate or maintain off-road motorcycle recreation trails on Crown land in the 99 Mile recreation area near the community of 100 Mile House, in accordance with the requirements of section 57 of the [Forest and Range Practices Act \(FRPA\)](#). Your application also included a request to have these trails recognized and legally established as public recreation trails in accordance with section 56 of *FRPA*.

A review of your application indicates your proposal includes lands within the [Agriculture Land Reserve \(ALR\)](#). The [Agriculture Land Commission Act](#) prohibits *non-farm use* of lands in the ALR without authorization from the Agriculture Land Commission (*"the commission"*). The [Agriculture Land Reserve General Regulation](#) requires that an application be filed directly with the commission for construction of a recreation trail or a new use of an existing right of way for a recreation trail. As the applicant, you are responsible for submitting this application to the commission; Recreation Sites and Trails BC (RSTBC) cannot submit the application on your behalf.

Although your proposal indicates that these off-road motorcycle trails in the 99 Mile recreation area have been in existence and used for this purpose and activity for many years, without evidence of a decision from the Agriculture Land Commission to permit this non-farm use within the ALR, Recreation Sites and Trails BC are unable to move forward with your request for authorization and legal establishment of these trails under the *Forest and Range Practices Act (FRPA)*. Therefore, your application to Recreation Sites and Trails BC has been placed on hold until you can provide evidence that you have received the necessary permission from the ALC.

Page 1 of 2

Should you receive this permission from the ALC, please contact the undersigned and RSTBC will reactivate your section 57 application.

Permission for a non-farm use of land in the ALR that is granted by the Agriculture Land Commission does not grant to you the authority to construct, rehabilitate or maintain a recreation trail on Crown land as required by section 57 of *FRPA*. The section 57 authorization process is administered and adjudicated by Recreation Sites and Trails BC and is independent from the decision processes followed by the ALC for permitting non-farm use within the ALR.

This letter also acknowledges that you have notified Recreation Sites and Trails BC ("*the Province*"), as the landowner of the subject area, of your intent to file an application with the ALC in consideration of the requirements of [section 22\(2\)](#) of the *Agriculture Land Reserve General Regulation*. You may provide a copy of this letter to support your application to the ALC.

To find more information regarding the application process for permission for a non-farm use of land in the Agriculture Land Reserve, please visit <https://www.alc.gov.bc.ca/alrc/content/home>.

South Cariboo Track and Trail Association

PO Box
100 Mile House, British Columbia
V0K 2E0

Dear South Cariboo Track and Trail Association.

This letter acknowledges receipt of your application seeking authorization to construct, rehabilitate or maintain off-road motorcycle trails on Crown land in the Horse Lake area near the community of 100 Mile House, in accordance with the requirements of section 57 of the Forest and Range Practices Act (FRPA).

A preliminary review of your application indicates your proposal includes lands within the Agriculture Land Reserve (ALR). The Agriculture Land Reserve (ALR) is a provincial land designation in which agriculture is recognized as the priority use for specific tracts of land. Agriculture and farming are encouraged in the ALR, while non-agricultural uses (including recreation trails) are restricted to protect the land and ensure that it remains suitable for agricultural use into the future. The ALR currently protects approximately 4.6 million hectares of agriculturally suitable land across British Columbia.

The Agriculture Land Commission Act prohibits *non-farm use* of lands in the ALR without written authorization from the Agriculture Land Commission ("the commission"). The Agriculture Land Reserve General Regulation requires that an application be filed directly with the commission for construction of a recreation trail or a new use of an existing right of way for a recreation trail; your proposal has been determined to be a combination of both new trail construction and use and maintenance of existing off-road motorcycle trails.

Page 1 of 2

Before your section 57 application can be considered by Recreation Sites and Trails BC, your proposal for the construction and maintenance of off-road motorcycle trails in the Horse Lake area will first require a decision by the Agriculture Land Commission to permit a non-farm use within the ALR.

As the applicant, you are responsible for applying to the Agriculture Land Commission; Recreation Sites and Trails BC (RSTBC) cannot apply on your behalf. Therefore, your section 57 application will be placed on hold until you can provide evidence that the ALC has approved your application for non-farm use within the ALR. Once you receive authorization from the ALC, please contact RSTBC and we will reactivate your section 57 application.

Permission for a non-farm use of land in the ALR that is granted by the Agriculture Land Commission does not grant to you the authority to construct, rehabilitate or maintain a recreation trail on Crown land as required by section 57 of *FRPA*. The section 57 authorization process under *FRPA* is administered and adjudicated by Recreation Sites and Trails BC and is independent from the decision-making processes followed by the ALC for permitting non-farm use within the ALR.

This letter also acknowledges that you have notified Recreation Sites and Trails BC ("*the Province*"), as the landowner of the subject area, of your intent to file an application with the ALC in consideration of the requirements of section 22(2) of the *Agriculture Land Reserve General Regulation*. If you wish, you may provide a copy of this letter to support your application to the ALC.

To find more information regarding the application process for permission for a non-farm use of land in the Agriculture Land Reserve, please visit <https://www.alc.gov.bc.ca/alc/content/home>.

Should you require any further information, please feel free to contact me via email at Curtis.Ofstie@gov.bc.ca or by telephone at (250) 302-5680.

Sincerely,

Curtis Ofstie, RFT

Subject: Motocross trail referral comments

Joanne,

I had a review of the referral and I feel that the comments from the earlier 99 mile motocross trail referral review apply to the greater trail system:

Keep trail width to a minimum - not to exceed 5m.

Trail maintenance should be restricted to bucking obstructions and not cutting a buffer of dead or live trees.

Future harvest blocks will be designed to minimize impacts to trails, but crossings and adjacent harvesting will be required.

Future harvesting will likely occur in motocross off season (winter), however, harvesting operations should be allowed to proceed unhindered regardless of season. Harvesting plans and timing of harvest operations will be communicated during the referral stage, and signage will be installed during operations.

Another thought I had was potentially having the club install signage informing users that they are on crown land and to keep to the existing trails so as to not increase the disturbance area. The map didn't look like the trail system had overlap with much or any grassland which will keep the roaming way down - just a thought. If they are installing signage could add a reminder to leave no trace (pack out what you pack in).

**District of
100 MILE HOUSE**

**COUNCIL REPORT
File No. 570-01**

**Regular Council Meeting
June 3, 2025**

REPORT DATE: May 20, 2025

TITLE: Development Variance Permit – 61 Dogwood Ave.

PREPARED BY: J. Doddridge, Director of Economic Development & Planning

PURPOSE: To present Council with a Development Variance Permit (DVP) application and request a decision to move forward with the notification process.

RECOMMENDATION: Recommended Resolution

BE IT RESOLVED THAT Council of the District of 100 Mile House authorize staff to proceed with the notification process, including notification of adjoining property owners, of Council's intent to consider issuance of a Development Variance Permit to Emma Raine for the property located at 61 Dogwood Avenue and legally described as Lot 14, Plan 12075, DL 31, Lillooet District to vary Zoning Bylaw No. 1290, 2016, section 4.12.2 a) and b) fence heights as follows:

- a) To increase the height of a fence by 0.61m between the front parcel line and the building on the parcel **from 1.2 m to 1.81 m**; and
- b) To increase the height of a fence by 0.61 m elsewhere on the parcel **from 2.0 m to 2.61 m**.

in substantial accordance with the application as submitted on April 29, 2025.

BACKGROUND INFORMATION / DISCUSSION:

Attached is a Development Variance Permit (DVP) application from Emma Raine for the property located at 61 Dogwood Ave., legally described as Lot 14, Plan 12075, DL 31, Lillooet District.

The property is zoned Residential Duplex (R-2) Zone and there is a home on the property. Attached is a drawing showing where the front area for fences is measured.

The application requests Council's consideration to vary the allowable fence height

- from 1.2 metres (3.94 ft) to 1.81 metres (5.94 ft) at the front and
- from 2.0 metres (6.56 ft) to 2.61 metres (8.56 ft) elsewhere on the property.

The application has been referred to affected agencies and municipal departments. To date, the following comments have been returned:

- Community Services & Building Inspection –
- Fire Department – This variance application doesn't affect the Fire Department.
- Ministry of Transportation - Ministry of Transportation and Transit's interests are unaffected by this application.

Should Council concur, the following process and timeline are in order:

Council Resolution authorizing DVP to proceed	June 3, 2025
Notification to adjoining property owners	June 12, 2025
Post to District Website & send to subscribers	June 12, 2025
Post at the District's posting place	June 12, 2025
Council consideration of issuing a DVP	June 23, 2025

OPTIONS: Should Council elect not to proceed with the notification process, the application stops immediately, and the applicant will be entitled to a partial refund.

DESCRIPTION OF EXISTING LAND USE: (use separate sheet if necessary)

Backyard with mesh fencing which allows neighbour video surveillance to record all action behind and beside house - As the owner of the home I would enjoy my home if I weren't being recorded or had view of junk piles surrounding the neighbour house on all sides - This is also a space my dog uses. She has been taunted from the other side of the fence, been kicked while on my property - The neighbour also despite my protest use the area to put trucks and boats into the back yard!

DESCRIPTION OF PROPOSED DEVELOPMENT/USE/BYLAWS CHANGE:
(use separate sheet if necessary)

Fence build to an added 2 feet for privacy and peaceful enjoyment of space in back yard

- I am not on good relations with this neighbour and am tired of the trespassing, the spray paint on my land and the unease of them knowing all that happens on my property - Including leaving times when my dog is outside etc.

- iv. The temporary dwelling must be removed within 30 days of the completion of the permanent dwelling unit, and the site thereof restored as nearly as possible to its condition prior to the erection of the temporary dwelling.

4.12 Fence Heights

4.12.1 The height of a fence, wall or hedge will be measured from the average grade one metre from both sides of the said fence, wall or hedge.

4.12.2 In all zones, fences other than required screening, subject to Section 4.15, must not exceed:

- a) 1.2 metres in height between the front parcel line and the building or use on the parcel; and
- b) 2.0 metres in height elsewhere on the parcel except for agricultural and industrial zones in which the height must not exceed 3.0 metres.

4.12.3 Despite the regulations contained in this section, open mesh or chain link type fences may be erected in an agricultural, industrial or institutional/public use zone to a maximum height of 4.0 metres.

4.13 Screening and Landscaping

4.13.1 Any part of a parcel not used for storage, building, parking, or loading facilities or outdoor recreation must be landscaped except in the A1, A-2 and A-3 zones.

4.13.2 Storage Yards:

- a) Except in the I-1 and I-2 zones, no storage yard or area shall be permitted in a required front yard; or in any required yard which is across a street from or abutting a parcel in a residential zone; and
- b) Except in the I-1 and I-2 zones, storage yards must be screened with a solid fence or wall 2.4 metres in height, or a compact evergreen hedge not less than 1.5 metres in height.

4.14 Exterior Lighting

4.14.1 All exterior floodlighting or spotlighting must be deflected away from adjacent properties.

4.15 Vision Clearance at Intersections

Bylaw No. 1327

4.15.1 No person being the owner, occupier or lessee of a parcel in any zone except C-1 shall place or permit to be placed any landscaping, building or structure exceeding 1 metre in height other than a chain link fence, above the established grade of the intersecting highway or street within a triangular plane 5 metres along the lot lines from the intersecting highway or streets.

BE IT RESOLVED THAT Zoning Amendment Bylaw No. 1453, 2025 be read a first and second time this 3rd day of June, 2025.

BACKGROUND INFORMATION / DISCUSSION:

Attached is an Official Community Plan (OCP) and Zoning amendment application from Cariboo Geographic Systems for Khotan Holdings Ltd. The application requests changes to the District of 100 Mile House bylaws to allow for residential use on the land. These amendments are required before bareland strata subdivision approval can be obtained.

The subject property is located at 590 Horse Lake Road, legally known as Lot 1, Plan EPP139003, DL 2138, Lillooet District. A subject property map is attached.

Planning Considerations and Impacts

Official Community Plan

The Official Community Plan (OCP) provides guidance on future land use decisions. The subject property is designated Commercial Vehicle Oriented in the OCP. The application seeks to amend the designation of the land to Low Density Residential.

Zoning

The subject property is in the Comprehensive Development 2 (CD-2) Zone, a zone created specifically for the former Findlay Meats use. The application seeks to change the zoning to Small Lot Residential (R-3) Zone to continue the same type of residential development as on the adjacent strata lot.

Referrals

The application has been referred to municipal departments and other agencies with an interest in the property. Comments received to date are copied below.

Building Inspection / Community Services – No objections.

Fire Department – The Fire Department has no objection to this OCP & Zoning referral for 590 Horse Lake Rd at this time.

Other

OCP and Zoning approvals do not constitute or guarantee future subdivision approval.

Reasons in Support of Application

Reasons and comments in support of the application (use separate sheet if necessary)

See attached sheet

This application is requesting that Lot 1, District Lot 2138, Lillooet District, Plan EPP139003 be rezoned and re-designated to accommodate a residential bare land strata development. The property is 1.61 hectares in size and is located on Horse Lake Road in the Blackstock neighbourhood. To the west is Horse Lake Road, to the north is an existing 22 lot bare land residential strata development, to the east are residential lots and to the south is a residential property. This land used to contain the Findlay Meats facility.

The proposal is to create 21 bare land strata lots to be used for future residential purposes, similar to the existing strata development (Plan EPS9628) between this land and Forest Ridge Road. Municipal services and other utility infrastructure are at the property line with Strata Plan EPS9628 and can easily be extended into the development. Access will also be through the existing strata development and will have a circular common property access route within the proposed development in this application. No direct access will be required to Horse Lake Road. For residents that need a vehicle, access to Horse Lake Road will be at the Forest Ridge Road intersection which is safe and is built to current intersection standards. There will be 0.37 hectares of common property amenity areas provided, and 0.05 hectares provided for RV storage.

The land is presently designated Commercial Vehicle Oriented in the Official Community Plan. The land has a Comprehensive Development 2 (CD-2) zone. Both the designation and the zone were in place to accommodate the previous use of the land by Findlay Meats.

In the last several years there has been a strong demand for this type of development as many people moving to 100 Mile House prefer the smaller lot sizes that are being proposed. This has been demonstrated by the success of the Heron Ridge development and the homes being built on the adjacent strata development. These properties appeal to people who wish to downsize, have smaller easier to maintain homes and properties while still being close to all services offered within 100 Mile House. The higher densities also meet local government and provincial objectives. One of the recommendations in the South Cariboo Housing Needs Report was to encourage development of independent living seniors housing in secondary clusters. While the proposed development is not age restricted this type of development is ideal to meet that recommendation.

The Official Community Plan has a community goal to support a range of housing types and tenures to meet the needs of existing and future residents. There are currently only three developments in the municipality that meet this goal for this type of development, Heron Ridge, the strata development across Forest Ridge Road next to the Uptown Mall and the adjacent strata development. This proposal will meet the goal as only one of the existing developments presently have any lots for sale.

The proposed development will appear to be a second phase of the existing strata development. The Strata Bylaws will be the same, the future homes will be constructed by the same firm and when done it will appear to the public and future residents as one residential development. The strata lots proposed with this application will contribute to

the maintenance of the common property access routes and infrastructure in both developments. Discussions are underway to possibly amalgamate both strata developments into a single strata corporation.

This development is needed within 100 Mile House to meet current and future needs for this style of living and the lifestyle opportunities it provides. The location is ideal with the proximity to Uptown Mall, the hospital, medical and dental offices along with the retail services provided in the downtown core. All of which can be accessed by vehicle or easily by foot on the existing pathways and sidewalks.

TITLE: 810 & 820 Exeter Truck Route – OCP & Zoning Amendment Application

PREPARED BY: J. Doddridge, Director Economic Development & Planning

PURPOSE: To present a joint Official Community Plan and Zoning amendment application to Council for consideration

RECOMMENDATION: Recommended Resolution:

BE IT RESOLVED THAT Official Community Plan Amendment Bylaw No. 1454, 2025 be read a first and second time this 3rd day of June, 2025; and further

BE IT RESOLVED THAT Zoning Amendment Bylaw No. 1455, 2025 be read a first and second time this 3rd day of June, 2025.

BACKGROUND INFORMATION / DISCUSSION:

Attached is an Official Community Plan (OCP) and Zoning amendment application from Cariboo Geographic Systems for Bel Investments Ltd. The application requests changes to the District of 100 Mile House bylaws to allow for a mini-storage use on the two lots.

The subject properties are located at 810 and 820 Exeter Truck Route, legally known as Strata Lots 2 & 3, Plan EPS5367, DLs 625 & 4179, Lillooet District. A subject property map is attached.

As stated in the application, these properties were re-designated and rezoned to "industrial" in 2019 to accommodate the storage facility use, but the owner subsequently changed his mind, and the lots were changed back to "commercial" in February 2024. Now another prospective buyer wants to start up the mini-storage use.

In 2019, the lots were rezoned to industrial to avoid a site-specific zoning amendment. Then a covenant was applied, restricting industrial uses to only mini-storage and associated uses, and not the full range of industrial uses permitted under the I-1 Zone.

Planning Considerations and Impacts

Official Community Plan

The Official Community Plan (OCP) provides guidance on future land use decisions. The subject property is designated Commercial Vehicle Oriented in the OCP. The application seeks to amend the designation of the land to Industrial. It is currently in the Highway 97 Corridor Development Permit Area and no change to that DP area is proposed. Therefore, any new construction will be required to first obtain a Development Permit.

Zoning

The subject property is in the Commercial Vehicle Oriented (C-3) Zone. The application seeks to change the zoning to Light Industrial (I-1) Zone to accommodate the 'warehouse' use, which encompasses mini-storage facilities.

As defined in the Interpretation section of Zoning Bylaw 1290:

"warehouse" means a building or the use of land for the receiving and storage of goods or personal property for compensation and includes self-service or mini-storage and the storage of goods by a distributor or supplier for retail sale at other locations but does not include retail sales.

The covenant, which was never discharged when the zoning reverted back to commercial in early 2024, is attached. It references further conditions in sections 1-3, such as:

- the only permitted use being a self-storage or mini-storage facility;
- the only accessory permitted uses being a caretaker residence, accessory buildings and structures, and an accessory office for the warehouse use; and
- no outside storage whatsoever.

Referrals

The application has been referred to municipal departments and other agencies with an interest in the property. Comments received to date are copied below.

Building Inspection / Community Services – No objection to this referral.

Fire Department – The Fire Department has nothing to add for this referral at this time.

Ministry of Transportation & Transit – The Ministry has no further comments.

BC Hydro – BC Hydro has no concerns with this proposal. The main BC Hydro infrastructure is existing along the access road and the customer will need to make applications to service each lot.

DESCRIPTION OF EXISTING LAND USE: (use separate sheet if necessary)

Property is presently vacant. The land is being prepared to accomodate the overall 101 Mile development

DESCRIPTION OF PROPOSED DEVELOPMENT/USE/BYLAW CHANGE:
(use separate sheet if necessary)

The properties were originally zoned Vehicle Oriented Commercial (C-3) zone and designated Commercial Vehicle Oriented in the Official Community plan. In 2019, due to expressed interest from a purchaser the properties an application was made to rezone them to accommodate a mini storage facility. That sale never proceeded and the mini storage facility was never constructed. In 2024, the owner rezoned and redesignated both lots back to the original zone. There is now another purchaser who would like to construct a mini storage facility on the properties and this application is being made to accommodate that use.

Legal Description of Properties: Strata Lots 2 and 3 District Lots 625 and 4179,
Lillooet District, Strata Plan EPS5367

Together with an interest in the common property in proportion to the unit entitlement of
the strata lot as shown on Form V.

This application is requesting that two strata lots within the 101 Mile development be rezoned and redesignated within the Official Community Plan. We are proposing a Light Industrial Zone and an Industrial Designation to accommodate a self-storage or mini-storage facility under the warehouse definition. This is the only use of the zone planned for the lots. There currently exists a covenant with the municipality that restricts the uses to what is proposed in this application. The only proposed uses on the lands are:

- 1) Principle permitted use – warehouse
- 2) Accessory permitted uses:
 - a) Caretaker residence;
 - b) Accessory buildings and structures; and
 - c) Accessory office to a principle use

The landowner has entered into an agreement with a company subject to the zoning and OCP change who would like to build a self-storage facility in this location. They would like to construct one here to meet the existing need within 100 Mile House and area. The self-storage facility would be constructed in two phases conforming to the two strata lots.

While this location is adjacent to Highway #97, these two properties are away from the highway, they are buffered by other lots within the strata development (presently undeveloped), Exeter Truck Route and then the boulevard. This use may not be visible from the highway especially when the other lots develop. A Highway 97 Development Permit Application will be submitted prior to construction so that Council's vision for this area will be met for form and character.

The self-storage facility is planned as a series of 3.65 (12') x 9.14 (30') self contained units in a single structure. There will be two of those buildings and they will be parallel to the highway. The building closest to the highway is planned with log accents utilizing the guidelines in the Official Community Plan. The second building will be to the west of the first one and well screened by it. The secure facility will be landscaped.

This is a good location for the proposed use. It is not a use that generates high traffic volumes but provides convenient and safe access to Highway 97. The location and its visibility greatly enhances the security aspect, and it is compatible with the uses of the other lots in this area. It will be designed to meet the guidelines of the Official Community Plan and the objectives of the developer for the commercial components of the remaining strata lots. All storage will be inside the buildings and no outside storage will be allowed.

TERMS OF INSTRUMENT – PART 2
(SECTION 219 LAND TITLE ACT)**

THIS AGREEMENT BETWEEN:

BEL INVESTMENTS LTD., INC. No. BC1151181
205 – 256th Street
Langley, BC V4W 2H6

(hereinafter called the Transferor)
OF THE FIRST PART

AND

THE DISTRICT OF 100 MILE HOUSE
P.O. Box 340, #1-385 Birch Avenue
100 Mile House, BC V0K 2E0

(hereinafter called the Transferee)
OF THE SECOND PART

WHEREAS:

- A. The Transferor is the registered owner in fee simple of the land situate, in the Cariboo Assessment Area, in the Province of British Columbia, and being particularly known and described as:
PID: 030-813-441
Strata Lot 2 District Lots 625 and 4179 Lillooet District Strata Plan EPS5367 together with an interest in the common property in proportion to the unit entitlement of the strata lot as shown on Form V
AND
PID: 030-813-450
Strata Lot 3 District Lots 625 and 4179 Lillooet District Strata Plan EPS5367 together with an interest in the common property in proportion to the unit entitlement of the strata lot as shown on Form V
(hereinafter called the said "Land")
- B. The Land is situated within the boundaries of the District of 100 Mile House;
- C. It is proposed that the zoning of the Land be changed to a light industrial zone.
- D. The Transferee wishes to control, by this instrument, the use on the re-zoned Land, and the permitted uses thereof;
- E. The Transferor has asked the Transferee to accept the covenant created by this Agreement so that a change of zoning of the Land sought by the Transferor can proceed;

F. The Transferor has voluntarily entered into this Agreement and to register it against the title to the Land as a covenant and indemnity under s. 219 of the *Land Title Act*.

THIS AGREEMENT is evidence that in consideration of payment of \$1.00 paid by the Transferee to the Transferor (the receipt and sufficiency of which is acknowledged by the Transferor), and in consideration of the promises exchanged below, the parties covenant and agree with each other in accordance with s. 219 of the *Land Title Act* as follows:

1. The only permitted use will be for a self-storage or mini-storage facility under the warehouse definition.
2. The only Accessory permitted uses will be restricted to the following:
 - (a) A caretaker residence;
 - (b) Accessory buildings and structures; and
 - (c) Accessory office to facilitate the allowed use as a warehouse
3. No outside storage will be permitted on the Land.
4. The Transferor, on behalf of himself and his heirs, executors, administrators, successors and assigns hereby indemnifies and saves harmless the Transferee and its officers, employees or agents from all loss, damage, costs, actions, suits, debts, accounts, claims and demands which the Transferee its officers, employees or agents, may suffer or incur or be put to arising out of or in connection with any breach of any covenant or agreement on the part of the Transferor or his heirs, executors, administrators, successors and assigns contained in this agreement or arising out of or in any way connected with any loss or damage suffered personally or in connection with any building, improvement, chattel or other construction including the contents of any of them, built, constructed or placed on the said lands.
5. The Transferor does remise, release and forever discharge the Transferee and its officers, employees, servants or agents from all loss, damage, costs, actions, suits, debts, accounts, claims and demands which the Transferor or its heirs, executors, administrators, successors and assigns may have against the Transferee and its officers, employees, servants or agents from and by reason of any damage suffered personally or in connection with any building, improvement, chattel or other structure, including the contents of any of them, built, constructed or placed on the said Lands.
6.
 - (a) No term, condition, covenant or other provision of this agreement will be considered to have been waived by the Transferee unless the waiver is expressed in writing by the Transferee.
 - (b) Any waiver by the Transferee of any term, condition, covenant or other provision of this Covenant or any waiver by the Transferee of any breach, violation or non-performance of any term, condition, covenant or other provision of this agreement does not constitute and will not be construed as a waiver of any further or other term, condition, covenant or other provision of this agreement or any further or other breach, violation or non-performance of any term, condition, covenant or other provision of this agreement.
7. The terms, conditions, covenants and other provisions of the Covenant will extend to, be binding upon and enure to the benefit of the parties to this Covenant and their respective successors and assigns.

8. In this Covenant, unless the context otherwise requires, the singular includes the plural and vice versa.
9. This Covenant will be interpreted according to the laws of the Province of British Columbia.
10. Where there is a reference to an enactment in this Covenant, the reference will include any subsequent enactment of the Province on British Columbia of the effect and all enactments referred to are enactments of the Province of British Columbia.
11. If any part of this Covenant is found to be illegal or unenforceable, that part will be considered separate and severable and the remaining parts will not be affected thereby and will be enforceable to the fullest extent permitted by law.
12. This Covenant runs with the lands and will be registered as a charge against the title to the lands under Section 219 of the *Land Title Act*.
13. Nothing contained or implied in this Agreement will prejudice or affect the rights, powers and remedies of the Transferee in the exercise of the Transferee's functions under any public or private statutes, regulations, bylaws or order in equity, all of which may be fully and effectively exercised by the Transferee in relation to the Transferor or the lands as if this Covenant had not been made.
14. The Transferor will do or cause to be done all things and execute or cause to be executed all documents and give such further and other assurances which may be reasonably necessary to give proper effect to the intent of this Agreement.
15. This Agreement will not be modified or discharged except in accordance with the provisions of Section 219 of the *Land Title Act*.
16. It is understood and agreed that the Transferee shall have no responsibility for enforcement of the terms of this Covenant which at all times shall remain the responsibility of the Transferor, his heirs, successors, administrators, assigns and successors in title.
18. This is the Instrument creating the condition or covenant entered into under Section 219 of the *Land Title Act* by the registered owner referred to herein.

IN WITNESS WHEREOF the parties acknowledge that this Agreement has been duly executed and delivered by the parties executing Part 1 of the Form C attached to and forming part of this Agreement.
