

DISTRICT OF 100 MILE HOUSE

**AGENDA FOR THE REGULAR MEETING OF THE MUNICIPAL COUNCIL
TO BE HELD IN MUNICIPAL COUNCIL CHAMBERS
Tuesday, May 26th, 2026 at 5:30 PM**

A.	<u>CALL TO ORDER</u>
	Mayor to call the regular meeting to order at 5:30 PM. Acknowledgement that this meeting is being held on Tsq̓escencúfecw.
B.	<u>APPROVAL OF AGENDA:</u>
	B1 BE IT RESOLVED THAT the May 26 th , 2026 Regular Council agenda <u>be approved.</u>
C.	<u>INTRODUCTION OF LATE ITEMS AND FROM COMMITTEE OF THE WHOLE:</u>
D.	<u>DELEGATIONS / PUBLIC HEARING:</u>
Caroline Slade – Dawson Road Maintenance Spring Update	D1 Dawson Road Maintenance Quality Manager, Caroline Slade will be present to provide Council with a spring update on road maintenance in the Cariboo.
Victoria Walker	D2 Victoria Walker will be present her concept on stabilizing 100 Mile healthcare.

E.	<u>MINUTES:</u>
Special – May 12th, 2026	E1 BE IT RESOLVED THAT the minutes of the Special Council meeting of May 12 th , 2026 <u>be adopted</u> .
Regular – May 12th, 2026	E2 BE IT RESOLVED THAT the minutes of the Regular Council meeting of May 12 th , 2026 <u>be adopted</u> .
COW – April 28th, 2026	E3 BE IT RESOLVED THAT the minutes of the Committee of the Whole meeting of April 28 th , 2026 <u>be adopted</u> .
F.	<u>UNFINISHED BUSINESS:</u>
G.	<u>MAYOR’S REPORT:</u>
H.	<u>CORRESPONDENCE:</u>
City of Prince George UBCM Resolution Support	H1 WHEREAS the Province has indicated they will end the northern and rural homeowner benefit beginning in 2027 reducing the amount northern and rural communities are eligible for; AND WHEREAS there remains strong rationale for a higher grant value in northern and rural communities due to higher costs of heating and transportation regardless of the repeal of the consumer carbon tax THEREFORE BE IT RESOLVED THAT UBCM strongly urges the Province to explain and reserve the decision to reduce the Northern Rural Homeowners grant

<p>PSO Grad Parade Street Closure</p>	<p>H2</p> <p>BE IT RESOLVED THAT the memo from Administration dated May 11th, 2026 regarding the PSO Graduation Parade Route be received; and further</p> <p>BE IT RESOLVED THAT the Council of the District of 100 Mile House approve the PSO graduation parade route through the downtown core of 100 Mile House into Centennial Park on Saturday, June 20th 2026, between 1:00 pm and 2:00 pm; and further</p> <p>BE IT RESOLVED THAT the PSO Grad Committee be directed to work closely with the District of 100 Mile House Community Services Dept. to coordinate the event.</p>
<p>I.</p>	<p><u>STAFF REPORTS:</u></p>
<p>2025 Annual Report</p>	<p>I1</p> <p>BE IT RESOLVED THAT The District of 100 Mile House 2025 Annual Report <u>be received</u> and advertised for public inspection.</p>
<p>2025 SOFI Report</p>	<p>I2</p> <p>BE IT RESOLVED THAT the Council Report dated May 19th, 2026 from the Director of Finance regarding the Statement of Financial Information be received; and further</p> <p>BE IT RESOLVED THAT the Statement of Financial Information of the fiscal year ending 2025 be approved and authorized for signature</p>
<p>Asset Disposal</p>	<p>I3</p> <p>BE IT RESOLVED THAT the Council Report dated May 20th, 2026 from the Director of Finance regarding asset disposal and the attached asset listing be received; and further</p> <p>BE IT RESOLVED THAT Finance be authorized to publicly advertise and dispose of the listed assets as per the provisions of the District of 100 Mile House Asset Disposal provisions under the Policy & Procedures Manual for the District.</p>

<p>Lodge Floor Structural Improvements</p>	<p>I4</p> <p>BE IT RESOLVED THAT the report from Finance dated May 25th, 2026, regarding the Lodge Floor Structural Improvements project be received; and further</p> <p>BE IT RESOLVED THAT Council waive the Purchasing Policy requirement for a formal competitive process in favour of a direct award due to limited contractor availability.</p> <p>BE IT RESOLVED THAT Bittersweet Management Services Ltd. Be awarded the Lodge Floor Structural Improvements and related repairs portion of the Lodge project for \$60,940.00, plus applicable taxes</p>
<p>J.</p>	<p><u>BYLAWS:</u></p>
<p>K.</p>	<p><u>VOUCHERS</u></p>
<p>Paid Vouchers (May 7th – 22nd, 2026) #31141 – #31158 & EFTs</p>	<p>K1</p> <p>BE IT RESOLVED THAT the paid manual vouchers #31141 to #31158 and EFT's totaling \$289,380.13 be received.</p>
<p>L.</p>	<p><u>OTHER BUSINESS:</u></p>
<p>UBCM Meeting Requests</p>	<p>L1</p> <p>Council to discuss the upcoming UBCM convention and Premier, Ministers and Ministry Staff meeting requests priorities.</p>
<p>M.</p>	<p><u>QUESTION PERIOD:</u></p> <p>Call for questions from the public for items relevant to the agenda.</p>
	<p><u>IN CAMERA SESSION:</u></p>
<p>N.</p>	<p><u>ADJOURNMENT :</u></p> <p>BE IT RESOLVED THAT this May 26th, 2026, meeting of Council be adjourned: Time:</p>

STABILIZING 100 MILE

COMMUNITY HEALTHCARE UPDATE: MAY 2026

FEATURED INSIDE:

- **THE 4-PILLAR SOLUTION:** Our technical roadmap to keep the ER doors open 24/7.
 -
- **GROW OUR OWN:** How housing [UBC Medical Residents](#) secures our future.
 -
- **NO NEW TAXES:** Why the professionals pay the rent, so taxpayers don't have to.
 -
- **THE OLIVER SUCCESS STORY:** How a BC town saved their hospital last month!

A SHOVEL-READY BLUEPRINT FOR THE SOUTH CARIBOO

Our plan isn't a protest—***it's a solution***. We've identified four critical pillars to stabilize our healthcare system:

PILLAR 1: WORKFORCE INFRASTRUCTURE

We use modular construction to get keys in doors in **under 6 months**. We are focusing on three "In-Fill" sites (Cedar, Aspen, and Blackstock) that already have water and power, meaning we build fast and smart.

PILLAR 2: THE CLINICAL PIPELINE

100 Mile House will become a premier training ground. By providing 6 dedicated suites for **Student Nurses and Residents**, we ensure that the next generation of doctors already calls our town "home."

PILLAR 3: CLINICAL STABILITY (THE POWER)

We back our local **Nurse Practitioners and ER Nurses** with the best tools. By integrating Virtual ER Technology, our team can consult with specialists instantly, ensuring the "Closed" sign stays in the drawer.

PILLAR 4: FISCAL SUSTAINABILITY

This is an investment, not a cost. The build is funded by BC Budget 2026 Healthcare Grants. Ongoing maintenance is paid for by the **Professional Rent** medical staff pay to live there. **Net cost to 100 Mile taxpayers: \$0.**

THE TRINITY SITES: SHOVEL-READY INFRASTRUCTURE

Strategic In-Fill Development for 100 Mile House

SITE 1: THE HOSPITAL HUB (Cedar Ave Area)

- **Purpose:** 6 suites for immediate on-call ER support and locum staff.
- **The Win:** Located within walking distance of the hospital campus. This reduces response time and integrates medical staff directly into the healthcare core.

SITE 2: THE FAMILY HUB (355 Aspen St)

- **Purpose:** 12 suites designed for permanent medical staff and their families.
- **The Win:** This District-owned land is near schools and parks, making it the perfect location to recruit long-term doctors who want to raise their families in 100 Mile House.

SITE 3: THE PIPELINE HUB (242 Blackstock Rd)

- **Purpose:** 6 student suites for the UBC Rural Residency & Nursing rotation.
- **The Win:** Utilizing existing serviced land to create a dedicated "Education Hub," ensuring the next generation of staff trains right here in the South Cariboo.

NO NEW TAXES: THE SMART INFRASTRUCTURE MODEL

The common question: "Who pays for the buildings and the maintenance?"

The Spirit of '66 has a technical answer that protects the 100 Mile House taxpayer: **The Province builds it, and the Professionals pay for it.**

- **THE CAPITAL BUILD (Grant Funded)**

Construction is 100% funded by BC Budget 2026 Health Infrastructure Grants and programs like BC Builds. We aren't asking for local tax dollars to put shovels in the ground.

•

- **THE OPERATION (Self-Sustaining)**

Unlike typical low-income housing, these are **Workforce Suites**. Medical staff (Doctors, Nurses, and UBC Residents) pay **professional rental rates** (averaging \$1,600/month).

•

- **THE SURPLUS (Community Gain)**

The rental income (approx. **\$360,000+ annually**) covers 100% of heat, lights, insurance, and maintenance. Any remaining surplus stays in a **Healthcare Stabilization Fund** to help with future recruitment.

- **THE BOTTOM LINE:**

This project adds a **\$10M+ asset** to the District's books with **\$0 in new local taxes**. It is a self-funding machine designed to keep our ER open for good.

THE SPIRIT OF '66 PROJECT

TECHNICAL PROPOSAL: HEALTHCARE WORKFORCE HOUSING INFRASTRUCTURE STABILIZATION PLAN

Presented to: Mayor Maureen Pinkney and the District of 100 Mile House Council

Date of Submission: May 21, 2026 (For the May 26 Regular Council Meeting Agenda, 100 Mile House Schedule of Regular Council Meetings.)

Lead Liaison: Sher Victoria Walker, The Spirit of 66 Project Tracy Mushins Sherry Harris.

Project Target: 24-Unit Pre-Fabricated Medical Workforce Complex (Three 8-Unit Modular Blocks)

Location Focus: P-1 Civic/Institutional Zoned Land adjacent to 100 Mile District General Hospital

Financial Status: \$0.00 Cost to Local Property Taxpayers / Zero Municipal Debt Impact

1. THE CRISIS MANDATE & HOUSING COMPLIANCE

The District of 100 Mile House has suffered 17 emergency room closures due to acute medical staffing shortages [100 Mile District General Hospital. Frontline healthcare professionals are the heartbeat of our community, but the regional near-zero rental vacancy rate has created a severe barrier to recruitment and retention.

Furthermore, the *South Cariboo Housing Needs Assessment* mandates a clear target of 1,774 new homes needed regionally by 2041 to address extreme core housing needs. This proposal satisfies provincial housing targets while providing a comprehensive, actionable 24-unit infrastructure solution to secure permanent and rotating residential space for incoming medical staff, nurses, and their families.

2. THE PROVEN BC RURAL PRECEDENTS

We are not asking the District to invent a new wheel. We are requesting the immediate execution of successful blueprints already deployed in rural British Columbia to combat hospital staffing emergencies:

- **The Town of Oliver Model (Speed & Efficiency):** Completed rapid modular "Housing for Healthcare Workers" in under six months (November 2025 to April 2026). Total project capital cost funded entirely by the BC Ministry of Health and a regional medical foundation. **Cost to local property taxpayers: \$0.00.**
 - **The District of Port Hardy Model (Partnership):** Fast-tracked a multi-unit modular development to recruit doctors and restore their 24-hour ER. The municipality provided land-use and zoning leadership, senior infrastructure grants covered construction, and the Health Authority acquired and manages the tenancies. **Cost to local property taxpayers: \$0.00.**
-

3. ESTIMATED REGIONAL CAPITAL EXPENSE BREAKDOWN

Every figure is scaled according to current multi-unit prefabricated modular block builds in rural British Columbia.

- **Phase 1: Advanced Civil Engineering & Full Site Servicing (\$180,000)**
Comprehensive site grading, environmental and highway access reviews, extending high-capacity municipal water lines, and dropping industrial sewer mains to support a 24-unit residential footprint.
 - **Phase 2: Off-Site Prefabricated Module Manufacturing (\$2,520,000)**
Construction of 24 fully self-contained, high-efficiency suites (\$105,000 per modular shell unit).
 - **Phase 3: Highway Hauling, Foundations & Complex Interconnection (\$450,000)**
Highway transport via Exeter Truck Route, driving heavy concrete screw-pile foundation grids for three separate building wings, crane staging, and structural utility tie-ins.
 - **Phase 4: Interior Furnishing & Health Authority Network Integration (\$120,000)**
Commercial furniture packages for 24 suites, complete appliance layouts, laundry zones, and integrated high-speed medical network nodes for on-call personnel.
 - **TOTAL PROJECT CAPITAL REQUIREMENT: \$3,270,000**
-

4. THE "ZERO LOCAL TAX" GRANT ALIGNMENT LEDGER

Per the *District of 100 Mile House Financial Plan*, the municipality operates with zero long-term debt, making the town perfectly positioned to receive senior government infrastructure injections without impacting local property taxes. This 24-unit regional project will be funded 100% through external senior streams:

Grant Funding Source	Allocated Amount	Eligible Project Uses	Local Match Required
BC Growing Communities Fund (GCF)	\$180,000	Direct capital grant already held in District accounts; allocated entirely to clear upfront civil engineering and massive site-prep servicing [1.3].	\$0.00
Investing in Canada Infrastructure Program (RNCS)	\$2,000,000	Rural and Northern Communities Stream covers up to 100% of construction costs for towns under 5,000 population [1.3]. Non-competitive base access.	\$0.00
BC Housing Community Housing Fund (CHF)	\$1,090,000	Provincial capital stream providing direct grants for workforce and essential community housing construction.	\$0.00
TOTAL FUNDING SECURED:	\$3,270,000	<i>Completely covers all deployment phases.</i>	\$0.00

5. THE MUNICIPAL TRUMP CARD & OPERATIONAL HANDOFF

While healthcare administration falls under provincial jurisdiction, the Province has zero power over municipal dirt. The District of 100 Mile House holds exclusive authority over local zoning, site approvals, and utility hookups.

- **The Land Contribution:** The District of 100 Mile House will utilize an unutilized property parcel zoned as **P-1 (Civic/Institutional)** near the healthcare complex. Presenting this land acts as an in-kind contribution, meaning no municipal cash is withdrawn from active town accounts .
- **Zero Ongoing Operational Liability:** Once construction is complete, management of the workforce tenancies is permanently handed off to **Interior Health** or a regional medical trust via a nominal \$1/year long-term land lease, leaving municipal staff with **zero ongoing operational costs, maintenance duties, or landlord liabilities.**

6. THE ACCOUNTABILITY TIMELINE & STAGED EXECUTION

Numbered at 24 units to comprehensively cure our healthcare infrastructure deficit and backed by a rapidly growing mountain of handwritten ink signatures from local voters Team 66 is filing this formal proposal package into the official Council record.

While the 24-unit Master Plan layout represents the necessary long-term threshold, Team 66 recommends that Council immediately fast-tracks **Phase 1 (The Initial 4 Units)** using existing Growing Communities allocations to address urgent upcoming seasonal healthcare staffing needs.

We expect the District to utilize available senior planning grants to initiate immediate staff review, and we are formally requesting a delegation slot on the regular June 2026 Council agenda to review the town's grant application progress.

Respectfully submitted,

E1

	<p><u>CALL TO ORDER</u></p> <p>Mayor Pinkney called the Committee of the Whole meeting to order at 4:15 PM</p> <p>Mayor Pinkney acknowledged that this meeting is being held on Tsjescencúfecw.</p>
A	<p><u>APPROVAL OF AGENDA</u></p>
	<p>A1</p> <p>Res: 14/26 Moved By: Councillor Guimond Seconded By: Councillor Mingo</p> <p>BE IT RESOLVED THAT the April 28th, 2026 Committee of the Whole agenda <u>be approved</u>.</p> <p style="text-align: right;">CARRIED</p>

B	<u>INTRODUCTION OF LATE ITEMS</u>
C	<u>DELEGATIONS</u>
D	<u>UNFINISHED BUSINESS</u>
E	<u>CORRESPONDENCE</u>
F	<u>STAFF REPORTS</u>
G	<u>BYLAWS</u>
ORV Bylaw	<p>G1</p> <p>The proposed ORV Bylaw was reviewed; multiple concerns were raised, however the driving force to incorporating a bylaw is tourism.</p> <p>Section 3.5 to be removed</p> <p>Staff is directed to organize an open public meeting and invite user groups, residents and business owner/operators to provide comment and feedback on the proposed bylaw.</p> <p>User groups to be invited include</p> <ul style="list-style-type: none"> • 100 Mile Nordics • Hun City Mountain Bike Club • South Cariboo Track & Trail Dirtbike Association • 100 Mile Snowmobile Club. <p>Open meeting to be preferably held on a weeknight between the hours of 6:00pm – 8:00pm prior to the end of June.</p>
H	<u>OTHER BUSINESS</u>
Influx of remote workers – Enbridge Project	<p>H1</p> <p>District Council discussed the expected influx of workers to the community and the related housing pressures. Consideration was given to options available to RV's and appropriate land use.</p> <p>Mayor Pinkney will reach out to Enbridge to discuss their public engagement results and Councillor Barnett will contact the 100 Mile Snowmobile Club and the Seniors Creekside Campground to gauge space availability.</p>

	<p>Mayor Pinkney and Councillor Barnett will bring forward information to next COW meeting.</p> <p>Limited areas are zoned for campground use and permitting RV's in masses throughout residential areas would not be the desirable outcome.</p>
100 Mile House Campground	<p>H2</p> <p>Discussion regarding RV housing and Enbridge project sparks further conversation regarding the future use of the municipal campground site.</p> <p>Site development should be considered in the long-term plan and could include relocating the dog park, picnic area, playground and upgrades to trails.</p>
Multi-Use Outdoor Facility	<p>H3</p> <p>The outdoor multi-use facility project has progressed more slowly than expected, and the projected total construction costs exceed the amount Council is prepared to commit.</p> <p>Discussion at the next SCJC meeting should focus on determining the project's next steps: either proceeding with only the slab/foundation phase only or discontinuing the project entirely.</p>
I	<u>QUESTION PERIOD</u>

Northern & Rural Governments in
British Columbia

Transmitted via email

April 28, 2026

RE: City of Prince George requesting co-sponsorship of the Northern-Rural Homeowners Grant resolution to UBCM

Dear Colleagues,

On behalf of the Prince George City Council, I am writing to ask for your support in cosponsoring on the attached Northern-Rural Homeowners Grant resolution to UBCM. The homeowner grant offered by the Government of British Columbia helps reduce the amount of property taxes residents pay each year on their principal residence. The grant is available to homeowners who pay property taxes to a municipality, or directly to the Province if they live in a rural area.

Currently, the regular grant amount is **\$570** for properties located in the Capital Regional District, the Metro Vancouver Regional District, and the Fraser Valley Regional District. For all other areas of the province, the grant amount is **\$770**.

However, effective for the 2027 and subsequent taxation years, the \$200 Northern and Rural Homeowner Benefit will be repealed. This benefit was originally introduced as part of the homeowner grant program to offset the effects of the carbon tax, which has now ended. As a result, the regular homeowner grant will be reduced to \$570 across all areas of the province.

This change will have a disproportionate impact on northern and rural communities. Municipalities in these regions continue to face unique and persistent cost pressures not experienced to the same extent in southern urban centres. Higher transportation costs, longer supply chains, increased heating expenses, and limited access to services are ongoing realities for residents in our communities. These challenges will not disappear simply because provincial tax policy has changed.

We are calling on all northern and rural local governments impacted by this decision to stand together in support of this resolution and formally urge the Province to reverse the repeal of the Northern and Rural Homeowner Benefit or implement a meaningful alternative that reflects the true cost of living in our regions.

A strong and coordinated response from municipalities across British Columbia will send a clear message: provincial programs must recognize regional realities and must not unfairly disadvantage northern and rural residents. Together, we can advocate for fairness, protect affordability, and help ensure the long-term sustainability and viability of our communities. We encourage you to make your voice heard by co-sponsoring this resolution.

Respectfully,

Mayor Simon Yu
City of Prince George

Resolution: Northern-Rural Homeowners Grant

WHEREAS the Province has indicated they will end the northern and rural homeowner benefit beginning in 2027 reducing the amount northern and rural communities are eligible for;

AND WHEREAS there remains strong rationale for a higher grant value in northern and rural communities due to higher costs of heating and transportation regardless of the repeal of the consumer carbon tax.

THEREFORE BE IT RESOLVED that UBCM strongly urges the Province to explain and reverse the decision to reduce the Northern Rural Homeowners grant

DISTRICT OF 100 MILE HOUSE

Date: May 11th, 2026

To: Mayor & Council

From: Administration

Subject: 2026 PSO Grad Parade – Street Closure (Birch Avenue)

The Peter Skene Ogden (PSO) Dry Grad Committee has submitted a parade request to the District to authorize the closure of Birch Avenue from First Street to Fourth Street, continuing down Cedar Avenue for the parade to finish in Centennial Park on Saturday June 20th, 2026 during the hours of 1:00 PM to 2 PM for the purpose of hosting the annual parade of the graduating class of 2026.

If Council is supportive of this closure of Birch Avenue for the event the following recommendation is provided for Council consideration.

Recommendation:

BE IT RESOLVED THAT the memo from Administration dated May 11th, 2026 regarding the PSO Graduation Parade Route be received; and further

BE IT RESOLVED THAT the Council of the District of 100 Mile House approve the PSO graduation parade route through the downtown core of 100 Mile House into Centennial Park on Saturday, June 20th 2026, between 1:00 pm and 2:00 pm; and further

BE IT RESOLVED THAT the PSO Grad Committee be directed to work closely with the District of 100 Mile House Community Services Dept. to coordinate the event.

GENERAL TERMS AND CONDITIONS – PARADES

1. Every applicant shall ensure adequate details and a map of the proposed parade route accompanies this application at least thirty (30) days prior to the event.
2. Organizers are responsible for clean up of all aspects of the event, including the actions of patrons, third party vendors or sponsors.
3. Where, in the opinion of the Chief Administrative Office of the District of 100 Mile House, traffic control devices are required, the District shall provide the devices at no cost to the permit holder who shall then be responsible for placing and removing the devices. If the District is required to place or remove the devices, the permit holder may be required to compensate the District for its services at a cost estimated by the Director of Community Services or the Chief Administrative Officer.
4. Any permit approved by Council may be rescinded, revoked, amended or varied without compensation or prior notice to the permit holder.

ACKNOWLEDGMENT

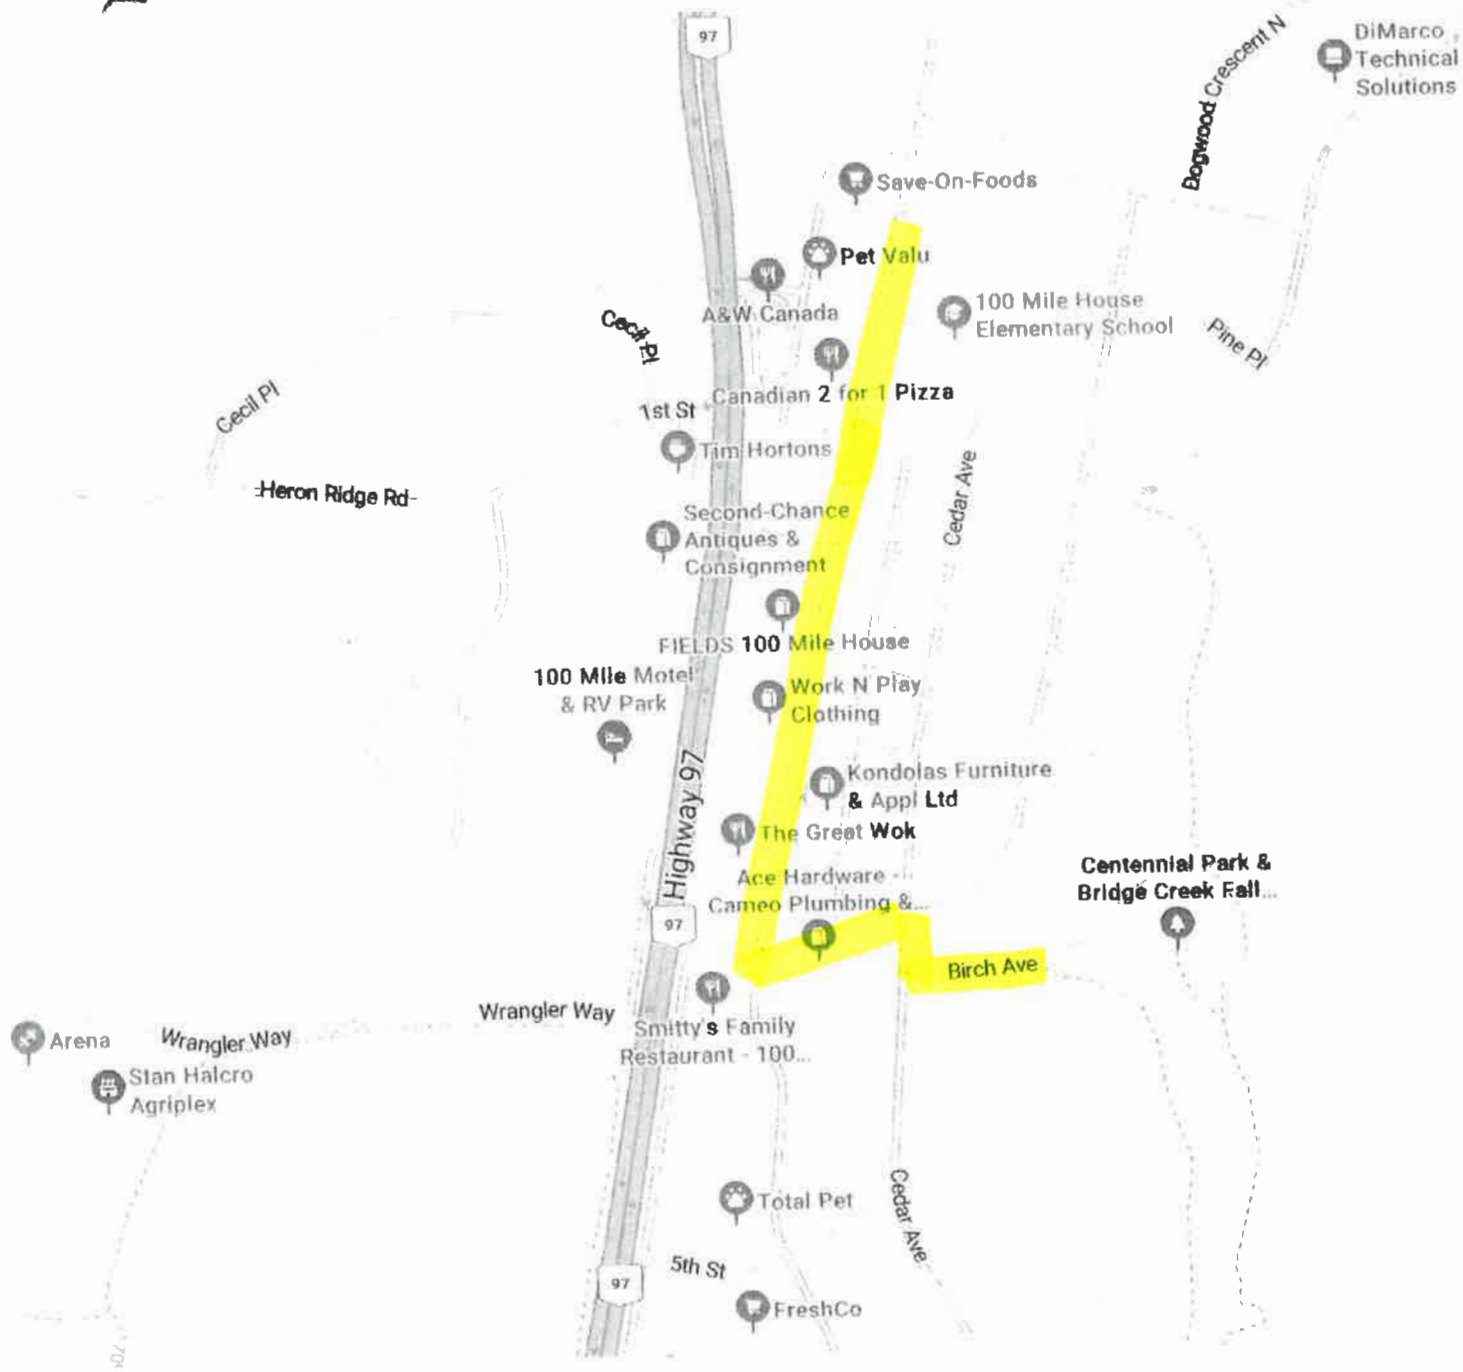

I/WE HEREBY COVENANT to and with the District of 100 Mile House that upon permission being granted for the use of highways set out in this permit, I will use the highways in accordance with any plans, route maps, or schedules submitted as part of the application and to the satisfaction of the Chief Administrative Officer, and that I will observe, perform and carry out the regulations and provisions of all applicable municipal bylaw and the terms and conditions of the application and permit.

I HEREBY CERTIFY that I will indemnify and save harmless the District of 100 Mile House of and from all claims, damages and causes of action whatsoever including costs, which may be made, brought against or suffered by the District of 100 Mile House or in respect of, either directly or indirectly, the use authorized by this permit.

I HEREBY REPRESENT that I have read, examined and thoroughly understand the pertinent sections of all the terms and conditions of this application and permit and that the statements made by me on this application are true to the best of my knowledge.

Dated this 09 day of April 2026 at 105 Mile

Date: May 19th, 2026
To: Mayor & Council
From: Administration
Subject: 2025 Annual Report

BACKGROUND:

Section 98 of the Community Charter, the Annual Municipal Report is hereby presented to Council.

The Community Charter sets out the procedures municipalities are required to follow:

- Present the Annual Report to Council
- Advertise the Annual Report for public inspection
- Present the Annual Report at a public meeting and allow the public to make submissions and ask questions; and
- Approve the Annual Report prior to June 30th.

The 2025 Annual Report is attached for Council's review.

RECOMMENDATION:

BE IT RESOLVED THAT the 2025 Annual Report be received and advertised for public inspection.

Tammy Boulanger, CAO

PUBLIC NOTICE

May 19th, 2026

Municipal residents are advised that the District's 2025 Annual Report is available for public inspection at the Municipal Office located at #1-385 Birch Avenue, or on the District's web site under "Government & Bylaws" at www.100milehouse.com. The public will have an opportunity to make submissions and ask questions of Council at the Regular Public Council Meeting scheduled for Tuesday June 9th 2026 in the Municipal Council Chambers (Fourth Street entrance) commencing at 5:30 p.m.

MESSAGE FROM THE MAYOR

Community Challenges, Achievements, and Future Plans for 100 Mile House

Community Challenges

The year 2025 brought significant challenges for 100 Mile House, most notably the closure of West Fraser Sawmill, our last major mill. This event cast uncertainty over the livelihoods of many workers and their families. With decisions looming—whether to stay, retire, retrain, or relocate—the community faced the loss of stable, well-paying jobs that will not be easily replaced. The closure also affected local businesses and added pressure on our economy. On top of this, CN Rail announced in July that it would cease operations on the rail line between Lillooet and 100 Mile House. This development threatened the revitalization of our industrial park, as two vacant mills require rail access for new ventures. In response, local government leaders, including mayors, councils, regional districts, and First Nations, united to seek alternative rail providers and preserve this vital freight connection. Efforts remain ongoing, with optimism for a solution before July 2026.

Community Response and Events

Despite these hardships, the spirit of 100 Mile House shone brightly. In the wake of the mill closure, the community rallied to host a heartfelt Christmas dinner for affected workers. The event was a testament to our compassion, drawing more than a hundred attendees and featuring generous support from sponsors. Volunteers from every corner of the South Cariboo stepped up, transforming the hall into a warm, welcoming space filled with laughter and gratitude. This evening not only provided comfort but also reinforced the sense of unity and resilience that defines us. The year also saw new businesses opening their doors, including the much-anticipated McDonald's restaurant in December. Families continue to move to the area, drawn by our reputation as the friendliest community in the region. Local residents and volunteers are true ambassadors, consistently showcasing our town's warmth and hospitality.

Achievements

In terms of progress, 2025 marked the completion of several major projects. The replacement of the 1972 Sawmill Creek Bridge, a multi-year and costly undertaking, was finished, with only minor work remaining on the nearby grounds and pathway to Blackstock Road. The iconic Red Coach Inn, once at risk of demolition, is undergoing what will be a remarkable renovation and resurrection, preserving a piece of our history.

Equally significant, the Lodge and Chapel—humble beginnings of 100 Mile House—were reassigned to our Museum. Thanks to countless volunteer hours, the Lodge Museum is set to open in late 2026, honouring the legacy of those who built our community. Asset management initiatives are ongoing with some completed, providing a clear picture of our water lines, sewer systems, storm drainage, and other essential infrastructure. This groundwork sets the stage for capital improvements and informs our lobbying efforts with other levels of government.

Infrastructure Projects

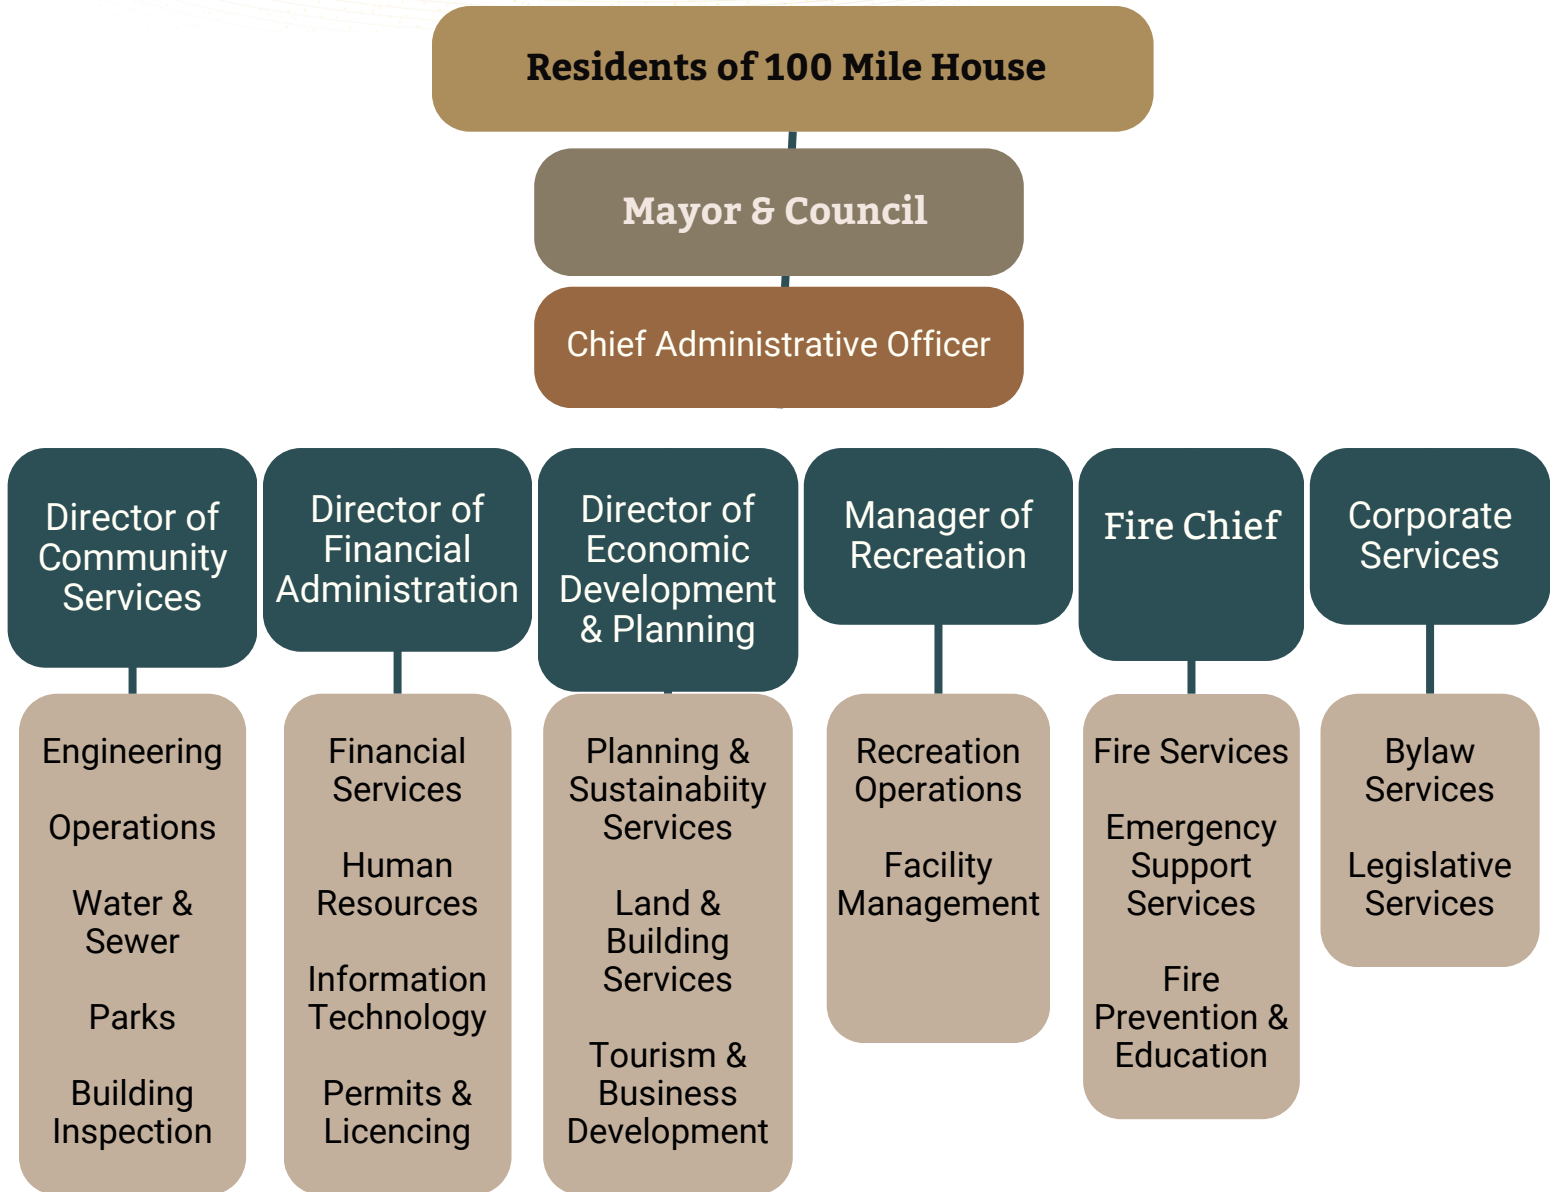

Water remains a central concern for residents and businesses. This year, we completed well reconditioning, which highlighted the urgent need to rebuild the Bridge Creek Water Treatment Plant. Planning and design work have begun, including archeological studies, and the project will span multiple years at a significant cost. Council will continue to advocate for provincial and federal support. Should additional funding be required, a referendum on taxation may be necessary to ensure completion.

Looking Ahead: 2026 and Beyond

As we move forward, the challenges are far from over. Large and small decisions await, demanding our attention and care. The Official Community Plan updates, housing studies, and ongoing asset management efforts require dedication from staff, council, and volunteers. Yet, the achievements of this past year, coupled with the unwavering community spirit, provide reason for optimism. Together, we will navigate the uncertainties, seize new opportunities, and continue making 100 Mile House a vibrant, welcoming home for all. On behalf of Council, thank you to every resident, business owner, our dedicated hard working staff, and volunteers for your contributions and commitment. You are the heart of the Cariboo, and your efforts ensure our community remains a place to be proud of—today and in the years to come.

ORGANIZATIONAL STRUCTURE

CORPORATE SERVICES

2025 ACHIEVEMENTS

- Facilitated Coffee with Council public engagements
- Hosted a C2C Forum with Tsqescen First Nations at South Point Resort
- Celebrated District of 100 Mile House 60th Anniversary
- Continued to build relationships and collaborate with First Nations
- Draft Bylaw Notice Enforcement Bylaw completed
- Draft Policy & Procedures Manual completed
- Installation of appreciation Plaque for Jack Barnett on Goldrush Trail
- Illegal Suites Policy endorsed
- Collective Agreement Ratified 2026- 2029

The District of 100 Mile House is located on the traditional territories of the Tsqescenculecw.

Mayor, Council and staff recognize the importance of building respectful relations that contribute to stewarding the land and waters in the community with integrity and considerations for future generations.

2026 GOALS

- Continue to engage and build relationships with First Nations
- Facilitate Coffee with Council public engagements and promote 2026 Municipal Election to voters
- Conduct successful Municipal Election
- Conduct Council orientation and training post-election
- Continue to support the development of asset management plan incorporated into long-term financial planning.
- Adopt and incorporate Bylaw Notice Enforcement Bylaw
- Develop Economic Development Task Force

ACCESSIBILITY COMMITTEE

The District of 100 Mile House Accessibility Committee meets the third Thursday of every month and encourages feedback and participation from the community. They work at identifying barriers that may be preventing the community from accessing services provided by the District of 100 Mile House.

2025 Achievements

- Successful obtaining \$25,000 grant from Sparc BC
- Installation of accessible play area at Community Hall
- Conducted accessibility walk through Centennial Park to identify areas in need of improvement
- Installed Veterans Parking signage

2026 Goals

- Apply for additional grant funding through RBC Barrier Buster Program
- Complete upgrades recommended at the South Cariboo Recreation Centre and Centennial Park
- Continue to conduct accessibility tours and recommend upgrades
- Continue to promote accessibility at community events

PLANNING & DEVELOPMENT

Reflecting on the past 60 years in the District of 100 Mile House highlights the essential role of thoughtful, proactive planning in shaping a vibrant and functional community. The well defined downtown core, residential neighbourhoods overlooking Centennial Park, and strategically located industrial park all stand as enduring examples of the value of strong planning principles and long term vision.

The District of 100 Mile House Planning Department carries out a wide range of responsibilities that are critical to the community's continued growth and sustainability. These include developing and updating the Official Community Plan and Zoning Bylaw, coordinating with landowners and developers on land use, subdivisions, and development permits; and supporting broader initiatives such as business attraction and retention, public engagement, economic development and even recycling education.

In 2025, the department experienced an exceptionally active year. Building permits represented a total construction value exceeding \$13 million, illustrating the investment and confidence in the community's future.

PLANNING & DEVELOPMENT

2025 ACHIEVEMENTS

- Draft of OCP and Zoning Bylaw Completed
- Airport Master Plan Completed & BCAAP grant funding application submitted
- Illegal Secondary Suite Policy Completed
- Tourism Task Force Established
- Sign Bylaw Completed
- Support FireSmart initiatives
- ICBC Road Marking Project & Vision Zero project completed
- Hosted Empowered Filmmaker Program
- REDIP Grant Administration (Commercial Kitchen / Community Hall Design)
- NDIIT Lodge Floor Grant Application submitted

2026 GOALS

- OCP & Zoning Bylaw Adoption
- Develop Ec. Dev. Task Force
- Support Tourism Task Force & Mini Forums
- Housing Initiatives
- Labour Market Project
- Onboard new Ec. Dev. Coordinator
- BCAAP grant application submission (Perimeter Fencing)
- Recycling program education
- Grant Admin - MEH Interior Renovation, BC Hydro Re-Greening, Centennial Park Washroom, Museum Project
- CRD Partnership Projects

DEVELOPMENT COST CHARGES

New development typically triggers the need for expansion of services like roads, sewer, drainage and water systems. The level of investment needed to support new development is significant and one of the mechanisms available to municipalities to help finance this investment is Development Cost Charges (DCC's).

DCC's are monies collected from developers to help offset the costs of the infrastructure investments needed to service new development. They are imposed by bylaw, pursuant to the Local Government Act, and provide the municipality with a way to finance capital investment related to roads, sewer, drainage, water and parks.

In 2025, there were seven developments where DCC's were applicable. Two were residential DCC's and five were commercial and/or industrial DCC's which are based on square footage.

Development projects anticipated in 2026 should see continued strong DCC collection.

2025 Planning & Development Stats

- 8 Zoning Applications
- 2 Development Permits
- 3 Development Variance Permits

- Grant administration for
- \$700,000. in projects in 2025
 - \$250,000. in projects in 2026

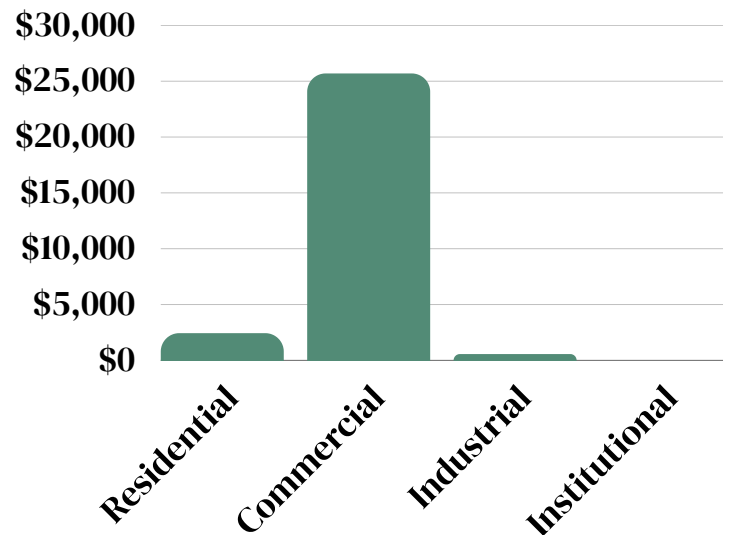

The following table provides information about DCC Collections and expenditures from 2025 for each of the infrastructure types.

	Sewer	Water	Drainage	Roads	Total
Opening Balance	\$142,941	\$233,644	\$15,424	\$148,427	\$540,438
Collections	-	\$1,852	-	\$26,841	\$28,693
Interest	\$4,375	\$7,236	\$504	\$4,711	\$16,828
Expenditures	-	-	-	-\$96,000	-\$96,000
TOTAL	\$147,316	\$242,732	\$15,929	\$83,980	\$489,959
Waiver & Reductions					

Note: Collections are reported net of Waivers and Reductions. In some instances, a developer will undertake work that would otherwise be done by the Municipality and funded by DCC's. When this occurs, the amount of DCC's related to those works may be forgiven. The amounts forgiven are reported as Waivers & Reductions.

S.Elias, Director of Finance

2025 DCC's Collected

In 2025, a total of \$96,000 in Development Cost Charges (DCCs) was invested to help fund major road improvements as part of the Horse Lake Road Bridge project.

COMMUNITY SERVICES

Over the 60 years in service Community Services is at the heart of every day life in our community.

With pride in their work and a strong commitment to our taxpayers, this team supports nearly every aspect of daily living. From supplying reliable water, sewer, and storm systems to keeping roads clear through plowing and sweeping their work is essential. They care for our beautiful spaces through boulevard upkeep, park development, and facility maintenance, while also managing garbage collection and maintaining infrastructure like street lighting and fleet operations.

Beyond the essentials, Community Services play a vital role in enhancing community life, supporting public events, maintaining cemeteries with respect and care, and leading seasonal clean-up initiatives in the spring and fall that keep our community clean and vibrant.

Their work may often happen behind the scenes, but its impact is visible everywhere, helping to create a community we are all proud to call home.

COMMUNITY SERVICES

2025 ACHIEVEMENTS

- Horse Lake Bridge Project Award & Construction
- Well Rehabilitation completed on three wells
- Grader Training for public works staff
- Toolcat Replacements
- EV Charger
- Rapid Infiltration Basins / Waste Water Treatment Upgrades
- Cross Connection Control Program Implementation
- Donated Pickleball Equipment
- MADD Signage support
- New Water Treatment Plant Grant Application submitted
- Dump Truck Tender awarded
- Line Painting & Winter Sand tenders awarded
- Horse Lk Rd & Cariboo Trail intersection design underway
- Submitted grant application for airport fencing
- Completed drought mangement plan

2026 GOALS

- Complete Horse Lake Bridge Project
- Complete Horse Lk Rd & Cariboo Trail intersection
- Complete Wash Down Pad in works yard
- Complete Community Hall and Centennial Park Washroom designs
- Complete Lodge Floor Upgrades
- Complete Martin Exeter Hall interior and heating upgrades
- Complete Exeter Lift Station
- Complete Dam assessment
- Support staff development & training

100 Mile House - Then & Now

In 2026, as the District of 100 Mile House celebrated its 60th anniversary, it was recognized that the people, both past and present, are what have shaped 100 Mile House into the community it is today!

DISTRICT OF
100 Mile House
CELEBRATING 60 YEARS

100 MILE FIRE-RESCUE

Although the District of 100 Mile House celebrated its 60th anniversary in 2025, 100 Mile House Fire-Rescue predates the District, with its origins dating back to 1954. The department was formally established in 1956, and in 1969, the Village of 100 Mile House assumed operational responsibility.

Since its inception, the department has devoted countless hours to responding to a wide range of emergencies, including structure fires, motor vehicle incidents, medical calls, wildland fires, and even aircraft incidents. Today, the department is comprised of highly trained and dedicated volunteer members who demonstrate professionalism, leadership, and a commitment to delivering consistent, high-quality service to the community.

The department maintains a fully equipped fleet, including two fire engines, a water tender, a rescue unit, a brush truck, two duty response vehicles, and a sprinkler protection unit, ensuring readiness to respond.

In 2026, 100 Mile House Fire-Rescue will celebrate its **70th** anniversary. The department looks forward to commemorating this significant milestone and welcomes the community to join in recognizing its longstanding service and contributions!

2025 Response Stats

- NESST Conference

2026 GOALS

- 2026 NESST Conference
- Neighbouring community support
- Indigenous training
- Training & knowledge sharing
- 2SLGBTQ education for reception centres
- Community events & awareness
- FireSmart events

100 MILE DEVELOPMENT CORPORATION

The 100 Mile Development Corporation was incorporated under the Company Act on February 22nd, 1999. The general purpose of the time was to handle economic development matters for the District of 100 Mile House, including operation of the Visitor Centre. Since then other facilities have been acquired, which are owned or managed by the municipality. These include Martin Exeter Hall, 100 Mile Lodge, South Cariboo Visitor Centre, South Cariboo Recreation Center and the 100 Mile Community Forest Operations. In general terms, the Dev Corp handles revenue and profit-orientated matters that do not fall within local government taxation and municipal revenue regimes, as well as potential economic development and revenue generators.

The Dev Corp is managed by a Board of Directors, comprised of Mayor and Council. As new opportunities arise, they are evaluated in terms of economic development potential and then placed under the management of the Dev Corp accordingly. Staffing consists primarily of Visitor Centre staff, South Cariboo Recreation staff and the Community Forest Manager. District of 100 Mile staff support operations, including general oversight of the Visitor Centre, grant writing, administration of the Community Forest and a range of economic development initiatives.

The 100 Mile Development Corporation does not have a strategic plan under which it operates. Rather it seizes economic development opportunities as they arise.

COMMUNITY FOREST

The 100 Mile Development Corporation manages the Community Forest (K2W) on a multi-use basis with the primary focus on good environmental stewardship, guaranteed recreational and public use opportunities and the continued enhancement of the forest resource.

Management objectives always address the stability of the local economy while preserving the complete community forest resource for future generations.

In 2025 planning operations continued for potential harvest activities in 2026-2027.

SOUTH CARIBOO VISITOR CENTRE

Throughout the seasons, the staff at the South Cariboo Visitor Centre welcome thousands of visitors from places abroad including explorers from our very own Beautiful British Columbia.

As ambassadors for the community they connect people with experiences to create memories that will last them a lifetime making them want to come back for more!

SOUTH CARIBOO VISITOR CENTRE

2025 Achievements

- Facilitated Tourism Task Force
- Launched Discover South Cariboo Membership Program
- Improved and increased merchandise sales within Visitor Centre
- Sent worlds largest cross country skis off for a face-lift!
- Continued to promote E-Bike rentals

2026 Goals

- Attend BC Outdoor Show, Hot July Nights and Garlic Festival
- Continue to increase participation in Discover South Cariboo Membership Program
- Facilitate Mini-Tourism Task Force events
- Grow partnership with Chamber of Commerce
- Join BC Ale Trail and develop local itineraries
- Continue to improve the website and become the hub for community events

SOUTH CARIBOO RECREATION CENTER

The South Cariboo Recreation Centre (SCRC) is a multi use facility with a 17,000 sq ft NHL size arena space with 500 seat bleachers that provides the community with many different programs and events for residents and visitors to enjoy.

The facility maintains ice for eight months of the year that is used by groups such as the 100 Mile House Wranglers Jr "A" Hockey Club, 100 Mile House Minor Hockey Association, 100 Mile and District Skating Club and for four summer months it plays host to many different events such as Graduation Ceremonies, South Cariboo Outdoor and Recreation Show, Cariboo Women's Fair and so many more! Additionally, staff organize and host a variety of adult and youth programs and camps.

The SCRC is also home to the curling rink and the South Cariboo Softball fields, a green space that can be rented for group functions such as concerts, weddings, family reunions, and more. The grounds also feature a dog park, accessible walking trails and rodeo grounds that are operated by the Outriders.

Bi-Annually the SCRC staff posts an Active Living Guide that is packed full of resources, schedules and contacts on how YOU can stay active in your community.

SOUTH CARIBOO RECREATION CENTER

2025 ACHIEVEMENTS

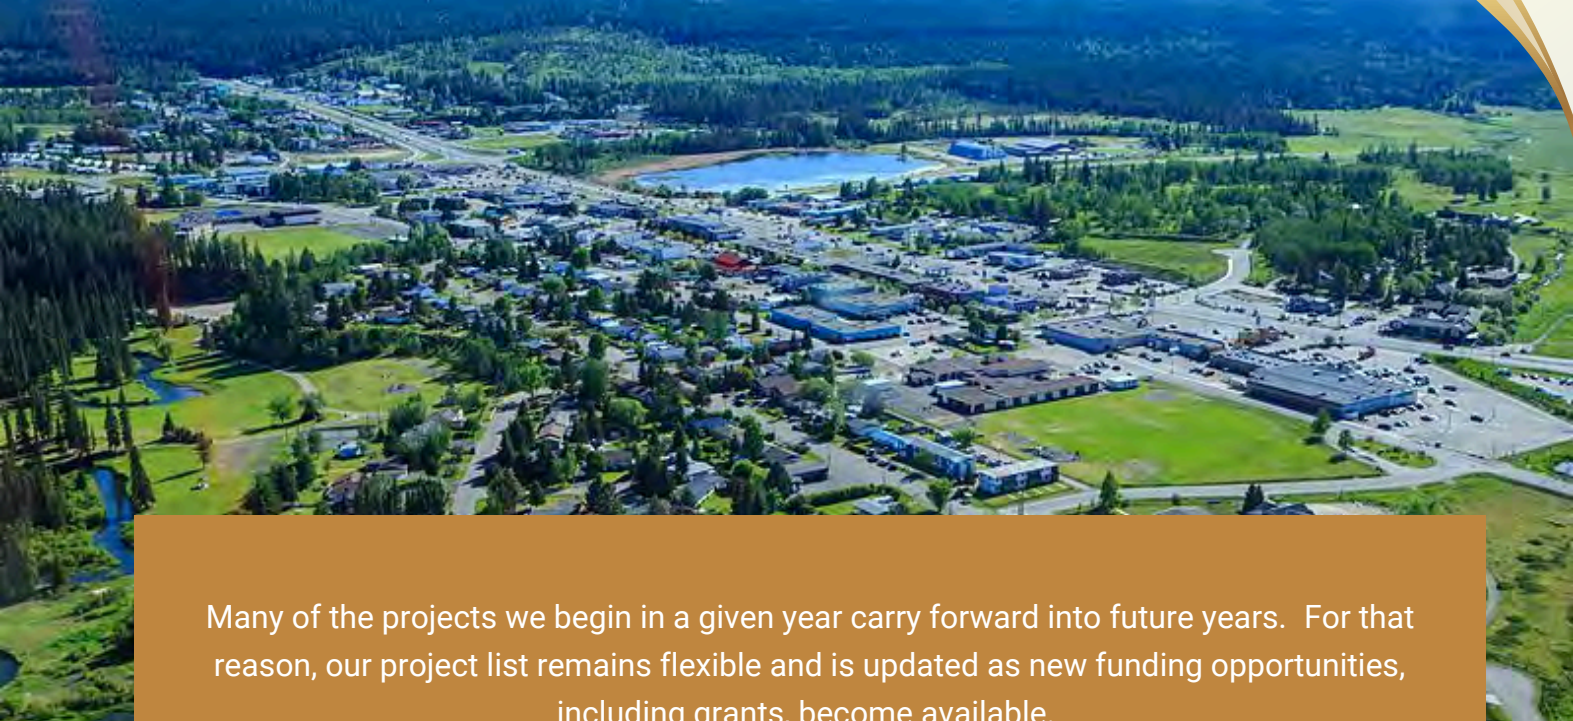

- Hosted many successful events including the 1st Outdoor & Recreation Show, 10th Annual Women's Fair, Seniors Resource Fair, Job Fair, Pow Wow and Grad Ceremonies
- New electric ice Zamboni brought into service
- New flooring installed in main office
- New LED lighting and seating installed for ball fields
- Accessibility upgrades completed
- Sound system improvements completed

2026 GOALS

- Expand on youth and adult programming
- Continue to grow dry floor events during summer months
- Complete 2026 business goals and capital improvements
- Continue to work and build relationships with user groups for a safe and successful season
- Continue to create a positive experience for customers and the public that utilize the South Cariboo Recreation Centre!

FINANCIAL SERVICES

Many of the projects we begin in a given year carry forward into future years. For that reason, our project list remains flexible and is updated as new funding opportunities, including grants, become available.

With Council's direction and support, the Finance Department continues to build financial capacity to fund future equipment and capital projects, with a focus on limiting or avoiding debt to reduce impacts on ratepayers. Our top priority remains making consistent contributions to reserves to help address the municipalities' infrastructure needs. This approach has been, and will continue to be, a key focus.

There's no such thing as "government-funded", it's all funded by taxpayers. With that in mind, the District of 100 Mile House Finance Team is committed to delivering first-rate service and ensuring every dollar is put to its best possible use.

We encourage residents to attend the annual financial plan presentation, because understanding where your dollars go is just as important as how they're spent.

FINANCIAL SERVICES

2025 ACHIEVEMENTS

- \$8.6 Million invested in 14 completed capital projects
- Promoted enhanced communication through website, social media and subscription service
- Further implement electronic payments and invoice delivery resulting in savings in time and expenses
- Local Government essentials training for Finance Clerks
- Ongoing asset management training
- Leveraged grants to expand or accelerate projects
- Funded projects through reserves or grants instead of debt
- Updated utility user fees to better reflect cost recovery

2026 GOALS

- Work on new financial reporting framework
- Continue work to optimize use of current software for time and cost savings
- Identify cost-saving opportunities without reducing service levels
- Support staff training & development
- Increase digital communications
- Increase annual contributions to capital reserves
- Work towards developing and funding long-term asset management plans
- Prioritize rehabilitation and replacement of aging infrastructure
- Regularly review and adjust user fees to reflect true service costs
- Complete building appraisals to improve insurance accuracy

Permissive Tax Exemptions

TOTAL	\$ 6,481,431		\$ 22,929

A permissive tax exemption (PTE) is an exemption from the payment of municipal tax which is granted by Council to help support organizations that provide services that are deemed to contribute to the well being of the community.

In accordance with the Community Charter, the above is a listing of organizations granted a permissive tax exemption in 2025, along with the amount of municipal taxes that would have been imposed on the property if it were not considered exempt.

Management's Responsibility for Financial Reporting

The accompanying financial statements of the District of 100 Mile House (the "District") are the responsibility of management and have been approved by the Mayor and Council of the District.

The financial statements have been prepared by management in accordance with Canadian public sector accounting standards. Financial statements are not precise since they include certain amounts based on estimates and judgments. When alternative accounting methods exist, management has chosen those it deems most appropriate in the circumstances, in order to ensure that the financial statements are presented fairly, in all material respects.

The District of 100 Mile House maintains systems of internal accounting and administrative controls of reasonable quality, consistent with reasonable cost. Such systems are designed to provide reasonable assurance that the financial information is relevant, reliable and accurate and the District's assets are appropriately accounted for and adequately safeguarded.

The Mayor and Council are responsible for ensuring that management fulfills its responsibilities for financial reporting and is ultimately responsible for reviewing and approving the financial statements.

The Mayor and Council review the District's financial statements and recommend their approval. The Mayor and Council meet periodically with management, as well as the external auditors, to discuss internal controls over the financial reporting issues, to satisfy themselves that each party is properly discharging their responsibilities, and to review the annual report, the financial statements and the external auditor's report. The Mayor and Council take this information into consideration when approving the financial statements for issuance to the taxpayers. The Mayor and Council also appoint the engagement of the external auditors.

The financial statements have been audited by BDO Canada LLP in accordance with Canadian generally accepted auditing standards on behalf of the taxpayers. BDO Canada LLP has full access to the Council and management.

Director of Finance

Independent Auditor's Report

To the Members of Council of the District of 100 Mile House

Opinion

We have audited the financial statements of the District of 100 Mile House (the "District"), which comprise of the statement of financial position as at December 31, 2025, and the statement of change in net financial assets, statement of operations, and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the District as at December 31, 2025, and the results of its operations, change in net financial assets, and cash flow for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the District in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Matters

We have not audited, reviewed or otherwise attempted to verify the accuracy or completeness of Schedule 1 on page 33 and Schedule 2 on page 34 of these financial statements.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the District's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the District or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the District's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the District's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the District to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities with the District to express an opinion on the financial statements. We are responsible for the direction, supervision and performance of the audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The accompanying notes are an integral part of these financial statements.

District of 100 Mile House
Notes to the Financial Statements

December 31, 2025

1. Significant Accounting Policies

Government Reporting Entity

The District of 100 Mile House (the "District") was incorporated in 1965 and operates under the statute of the Province of British Columbia and operates under the provisions of the Local Government Act and the Community Charter of British Columbia. The District provides municipal services including administrative, protective, transportation, environmental, recreational, water, sewer and fiscal management.

Reporting Entity

The reporting entity is comprised of all organizations, committees and local boards accountable for the administration of their financial affairs and resources to the District and which are owned or controlled by the District except for the District's government business enterprise, 100 Mile Development Corporation which is accounted for on the modified equity basis of accounting.

The Perpetual Care Fund is excluded from the financial statements.

Basis of Accounting

The District follows the accrual method of accounting for revenues and expenses. Revenues are normally recognized in the year in which they are earned and measurable. Expenses are recognized as they are incurred and measurable as a result of receipt of goods or services and/or the creation of a legal obligation to pay.

The financial statements of the District have been prepared in accordance with Canadian Public Sector Accounting Standards.

Asset Retirement Obligation

A liability for an asset retirement obligation is recognized when there is a legal obligation to incur retirement costs in relation to a tangible capital asset; the past transaction or event giving rise to the liability has occurred; it is expected that future economic benefits will be given up; and a reasonable estimate of the amount can be made. The liability is recorded at an amount that is the best estimate of the expenditure required to retire a tangible capital asset at the financial statement date. This liability is subsequently reviewed at each financial reporting date and adjusted for the passage of time and for any revisions to the timing, amount required to settle the obligation or the discount rate. Upon the initial measurement of an asset retirement obligation, a corresponding asset retirement cost is added to the carrying value of the related tangible capital asset if it is still in productive use. This cost is amortized over the useful life of the tangible capital asset. If the related tangible capital asset is unrecognized or no longer in productive use, the asset retirement costs are expensed.

District of 100 Mile House
Notes to the Financial Statements

December 31, 2025

1. Significant Accounting Policies (continued)

Cash and
Cash Equivalents

Cash and cash equivalents consist of cash on hand less outstanding cheques and deposits with a maturity of less than three months at the time of purchase.

Investment in
Government Business
Enterprise

The investment in 100 Mile Development Corporation (the "Corporation"), a government business enterprise, is accounted for on a modified equity basis. Under the modified equity basis, the Corporation's accounting policies are not adjusted to conform with those of the municipality and inter-organizational transactions and balances are not eliminated. The District recognizes its equity interest in the annual income or loss of the Corporation in its statement of operations with a corresponding increase or decrease in its investment asset account. Any dividends that the District may receive from the Corporation will be reflected as reductions in the investment asset account.

Revenue Recognition

Taxes are recorded at estimated amounts when they meet the definition of an asset, have been authorized and the taxable event occurs. For property taxes, the taxable event is the period for which the tax is levied. As taxes recorded are initially based on management's best estimate of the taxes that will be received, it is possible that changes in future conditions, such as reassessments due to audits, appeals and court decisions, could result in a change in the amount of tax revenue recognized. Taxes receivable are recognized net of an allowance for anticipated uncollectable amounts.

Revenues from transactions with performance obligations are recognized when (at a point in time) or as (over a period of time) the District satisfies the performance obligations, which occurs when control of the benefits associated with the promised goods or services has passed to the payor.

The District recognizes revenue from users of the water, sewer, solid waste disposal, and rentals of District property services on a straight-line basis over the period of time that the relevant performance obligations are satisfied by the District.

The District recognizes revenue from administrative services, building permits, development permits, sales of goods and other licenses and permits at the point in time that the District has performed the related performance obligations and control of the related benefits has passed to the payors.

Revenue from transactions without performance obligation is recognized at realizable value when the District has the authority to claim or retain an inflow of economic resources received or receivable and there is a past transaction or event that gives rise to the economic resources.

District of 100 Mile House
Notes to the Financial Statements

December 31, 2025

1. Significant Accounting Policies (continued)

Revenue Recognition
(continued)

The District recognizes revenue from tax penalties and interest, parking ticket fines, and other revenue without associated performance obligations at the realizable value at the point in time when the District is authorized to collect these revenues.

Conditional non-government grant revenue is recognized to the extent the conditions imposed on it have been fulfilled. Unconditional non-government grant revenue is recognized when monies are receivable.

Grants for the acquisition of tangible capital assets are recognized in the period in which eligible expenditures are made.

Government Transfers

Government transfers, which include legislative grants, are recognized in the financial statements in the period in which events giving rise to the transfers occur, providing the transfers are authorized, any eligibility criteria have been met, and reasonable estimates of the amount can be made.

Collection of Taxes
on Behalf of Other
Taxation Authorities

The District collects taxation revenue on behalf of other entities. Such levies, other revenues, expenses, assets and liabilities with respect to the operations of entities are not reflected in these financial statements.

Tangible Capital
Assets

Tangible capital assets are recorded at cost which includes amounts that are directly attributable to acquisition, construction, development, or betterment of the asset. The cost, less residual value, of the tangible capital assets, excluding land, are amortized on a straight-line basis over their estimated useful lives as set out in the Capital Asset Policy. Estimated useful lives are as follows:

Buildings	40 to 75 years
Building Improvements	10 to 40 years
Furniture, Equipment & IT Technology	4 to 20 years
Machinery, Equipment & Vehicles	5 to 20 years
Roads	10 to 100 years
Underground & Other Engineered Structures	10 to 50 years

Tangible capital assets are written down when conditions indicate that they no longer contribute to the District's ability to provide goods and services, or when the value of future economic benefits associated with the tangible capital assets are less than their net book value. The net write-downs are accounted for as expenses in the statement of operations.

District of 100 Mile House
Notes to the Financial Statements

December 31, 2025

1. Significant Accounting Policies (continued)

Tangible Capital Assets (continued)	Tangible capital assets acquired during the year but not placed into use are not amortized until they are placed into use.
Contributions of Tangible Capital Assets	Tangible capital assets received as contributions are recorded at their fair value at the date of receipt and recorded as revenue.
Leased Assets	Leased assets which transfer substantially all the benefits and risk incidental to ownership of property, are accounted for as leased tangible capital assets. All other leases are accounted for as operating leases and the related payments are included in expenses as incurred.
Supply Inventory	Inventories are valued at the lower of cost and replacement cost. Cost is determined using average costing.
Employee Future Benefits	The District's contributions due during the period to its multi-employer defined benefit plan are expensed as incurred.
Investment Income	The District follows the practice of investing individually significant unspent funds within individual funds. Interest earned is allocated on the basis of actual earnings from the specific instruments. Excess funds or temporary borrowings of all functions and capital projects are pooled and interest income or expense is allocated to the individual function on a monthly basis.
Long-term Debt	Long term debt is recorded net of any related sinking fund balances. Debt service charges, including principal and interest, are charged against current revenue in the period in which they occur.
Measurement Uncertainty	The preparation of financial statements in conformity with PSAB requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure on contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenditures during the reporting period. Significant areas requiring use of management estimates relate to amortization of capital assets and measurement of asset retirement obligations. Actual results could differ from those estimates.
Reserve Funds	Reserves represent amounts set aside for specific or future expenditures. Statutory reserves require the passing of a by-law before funds can be expended. Reserve accounts require an approved council budget and resolution.

District of 100 Mile House
Notes to the Financial Statements

December 31, 2025

1. Significant Accounting Policies (continued)

Financial Instruments Cash and equity instruments quoted in an active market are measured at fair value (hierarchy level one - quoted market prices). All other financial instruments, are measured at cost or amortized cost. The carrying amount of each of these financial instruments is presented on the statement of financial position.

Unrealized gains and losses from changes in the fair value of financial instruments are recognized in the statement of remeasurement gains and losses. Upon settlement, the cumulative gain or loss is reclassified from the statement of remeasurement gains and losses and recognized in the statement of operations. Interest and dividends attributable to financial instruments are reported in the statement of operations.

When investment income and realized and unrealized gains and losses from changes in the fair value of financial instruments are externally restricted, the investment income and fair value changes are recognized as revenue in the period in which the resources are used for the purpose specified.

For financial instruments measured using amortized cost, the effective interest rate method is used to determine interest revenue or expense.

For portfolio measurements measured at cost, the cost method records the initial investment at cost and earnings from such investments are recognized only to the extent received or receivable. When an investment is written down to recognize an impairment loss, the new carrying value is deemed to be the new cost basis for subsequent accounting purposes.

All financial assets are tested annually for impairment. When financial assets are impaired, impairment losses are recorded in the statement of operations.

Transaction costs are added to the carrying value for financial instruments measured using cost or amortized cost. Transaction costs are expensed for financial instruments measured at fair value.

District of 100 Mile House
Notes to the Financial Statements

December 31, 2025

2. Cash and Short-term Investments

	2025	2024
Cash	\$ 14,986,426	\$ 12,850,525
Municipal Finance Authority Money Market Fund	440,513	428,204
Municipal Finance Authority Short Term Bond Fund	85,890	82,635
Royal Bank of Canada GIC, interest at 4.94% per annum, matured April 2025	-	5,169,390
	\$ 15,512,829	\$ 18,530,754

Short Term Investments are held with the Municipal Finance Authority of BC in a pooled money market fund at a cost of \$440,513 and an annual rate of return of approximately 2.85% (2024 - 2.95%). A short term bond is held with the Municipal Finance Authority of BC at a cost of \$85,058 and an annual rate of return of approximately 4.2%.

3. Accounts Receivable

	2025	2024
Property Taxes and Utilities	\$ 569,854	\$ 533,768
Other Governments	164,530	78,833
100 Mile Development Corporation	37,634	32,179
Trade and Other	473,204	333,063
	\$ 1,245,222	\$ 977,843

As of December 31, 2025, 88% (2024 - 97%) of trade accounts receivable are aged less than 60 days.

District of 100 Mile House
Notes to the Financial Statements

December 31, 2025

4. Related Party transactions

During the year, the District provided operational funding of \$25,000 (2024 - \$80,499) to the 100 Mile Development Corporation, a wholly owned subsidiary. The District also charged rent of \$17,985 (2024 - \$17,985) to the 100 Mile Development Corporation for the Visitor Information Centre.

Included in accounts receivable on December 31, 2025 is \$37,634 (2024 - \$34,286) due from the 100 Mile Development Corporation. Included in accounts payable on December 31, 2025 is \$nil (2024 - \$55,499) due to the 100 Mile Development Corporation.

5. Accounts Payable & Accrued Liabilities

	<u>2025</u>	<u>2024</u>
Other Government	\$ 14,893	\$ 13,941
Accrued Wages & Benefits	97,950	72,861
Trade & Other	1,586,048	568,784
	<u>\$ 1,698,891</u>	<u>\$ 655,586</u>

As of December 31, 2025, 90% (2024 - 76%) of trade accounts payable are aged less than 60 days.

District of 100 Mile House
Notes to the Financial Statements

December 31, 2025

6. Investment in 100 Mile Development Corporation

The Corporation is owned and controlled by the District and is considered a Government Business Enterprise. As such, the Corporation is accounted for on the modified equity basis in these financial statements. The Corporation is charged with responsibility for economic development activities, operation of the Visitor Information Centre and management of the Community Forest.

The following provides condensed supplementary financial information for the Corporation for the year ended December 31:

<u>Financial Position</u>	<u>2025</u>	<u>2024</u>
Assets:		
Current	\$ 606,495	\$ 694,295
Tangible Capital Assets	268	345
Total Assets	<u>\$ 606,763</u>	<u>\$ 694,640</u>
Liabilities:		
Accounts Payable	\$ 56,892	\$ 141,371
District of 100 Mile House	38,692	34,287
Total Liabilities	<u>\$ 95,584</u>	<u>\$ 175,658</u>
Equity:		
Share Capital	\$ 100	\$ 100
Retained Earnings	511,079	518,882
Total Equity	<u>511,179</u>	<u>518,982</u>
Total Liabilities and Equity	<u>\$ 606,763</u>	<u>\$ 694,640</u>
Operations:		
Revenue	\$ 979,302	\$ 820,237
Expenses	987,105	820,237
Net loss	<u>(7,803)</u>	<u>-</u>
Change in equity	<u>\$ (7,803)</u>	<u>\$ -</u>

District of 100 Mile House
Notes to the Financial Statements

December 31, 2025

7. Deferred Revenue

		December 31, 2024	Collected	Interest	Recognized	December 31, 2025
Deferred revenue						
Taxes	\$	229,545	\$ 222,962	\$ -	\$ (229,545)	\$ 222,962
Other		344,786	2,778,087	-	(2,690,173)	432,700
		<u>574,331</u>	<u>3,001,049</u>	<u>-</u>	<u>(2,919,718)</u>	<u>655,662</u>
Development cost charges						
		<u>540,438</u>	<u>1,852</u>	<u>16,829</u>	<u>(69,159)</u>	<u>489,960</u>
	\$	<u>1,114,769</u>	\$ <u>3,002,901</u>	\$ <u>16,829</u>	\$ <u>(2,988,877)</u>	\$ <u>1,145,622</u>

Development cost charges are restricted revenue liabilities representing funds received from developers and deposited into a separate reserve fund for capital expenses. In accordance with generally accepted accounting principles, the District records these funds as restricted revenue which is then recognized as revenue when the related costs are incurred.

December 31, 2025

12. Contingent Liabilities and Commitments

a) Municipal Pension Plan

The District of 100 Mile House and its employees contribute to the Municipal Pension Plan (a jointly trusted pension plan). The Board of Trustees, representing plan members and employers, is responsible for administering the plan, including investment of the assets and administration of benefits. The Plan is a multi-employer defined benefit pension plan. Basic pension benefits are based on a formula. As at December 31, 2025, the Plan has about 273,000 active members and approximately 133,000 retired members. Active members include approximately 47,000 contributors from local governments.

Every three years, an actuarial valuation is performed to assess the financial position of the plan and adequacy of plan funding. The actuary determines an appropriate combined employer and member contribution rate to fund the plan. The actuary's calculated contribution rate is based on the entry-age normal cost method, which produces the long-term rate of member and employer contributions sufficient to provide benefits for average future entrants to the plan. This rate may be adjusted for the amortization of any actuarial funding surplus and will be adjusted for the amortization of any unfunded actuarial liability.

The most recent actuarial valuation for the Municipal Pension Plan as of December 31, 2024 indicated a \$2,675 million funding surplus for basic pension benefits on a going concern basis.

The District of 100 Mile House paid \$134,190 (2024 - \$119,844) for employer contributions while employees contributed \$121,917 (2024 - \$106,282) to the Plan in fiscal 2025.

The next valuation will be as at December 31, 2027.

Employers participating in the Plan record their pension expense as the amount of employer contributions made during the fiscal year (defined contribution pension plan accounting). This is because the Plan records accrued liabilities and accrued assets for the Plan in aggregate, resulting in no consistent and reliable basis for allocating the obligation, assets and cost to individual employers participating in the Plan.

b) Joint and Several Liability

The District of 100 Mile House, as a member of the Cariboo Regional District, is jointly and severally liable under the provisions of Sections 815 and 816 of the Local Government Act for any default on monies borrowed by the Cariboo Regional District.

c) Potential Litigation

From time to time the District is brought forth as a defendant in various lawsuits. The District reviews its exposure to any potential litigation for which it would not be covered by insurance and assesses whether a successful claim against would materially affect the financial statements. The District is currently not aware of any claims brought against it that if not defended successfully would result in a material change to the financial statements of the District.

December 31, 2025

12. Contingent Liabilities and Commitments (continued)

d) Municipal Insurance Association

The District is a participant in the Municipal Insurance Association of British Columbia. Should the Association pay out claims in excess of premiums received, it is possible the District, along with the other participants, would be required to contribute towards the deficit.

13. Asset Retirement Obligations

The District's asset retirement obligations consist of the following:

a) Asbestos abatement obligation

The District recognized an obligation relating to the removal and post-removal care of the asbestos in its buildings. The buildings all have an estimated useful life of between 40 and 75 years from the date of completion of construction, of which various numbers of years remain. Estimated costs of \$1,006,584 (2024 - \$1,006,584) have been discounted to the present value using a discount rate of 3.73% per annum (2024 - 4.97%).

b) Wells decommissioning obligation

The District owns water wells which will require decommissioning at the end of their useful lives under BC Regulations. The District recognized an obligation relating to the decommissioning of the wells. The wells are estimated to have 60 year useful lives, of which various numbers of years remain. Estimated costs of \$84,000 (2024 - \$84,000) have been discounted to the present value using a discount rate of 3.73% per annum (2024 - 4.97%).

District of 100 Mile House
Notes to the Financial Statements

December 31, 2025

13. Asset Retirement Obligations (continued)

Changes in the asset retirement obligation in the year are as follows:

Asset Retirement Obligation	Asbestos remediation	Well decommissioning	2025
Opening balance	\$ 627,827	\$ 43,263	\$ 671,090
Remeasurement adjustments - change in inputs	247,250	24,631	271,881
Accretion expense	32,640	2,532	35,172
Closing balance	\$ 907,717	\$ 70,426	\$ 978,143

Asset Retirement Obligation	Asbestos remediation	Well decommissioning	2024
Opening balance	\$ 849,386	\$ 31,076	\$ 880,462
Additions	-	10,139	10,139
Retirement expense	(251,285)	-	(251,285)
Accretion expense	29,726	2,048	31,774
Closing balance	\$ 627,827	\$ 43,263	\$ 671,090

The asset retirement liability has been estimated using a net present value technique using the assumptions as described above. The related asset retirement costs are being amortized on a straight-line basis over the remaining useful lives of the assets.

Significant estimates and assumptions are made in determining the asset retirement costs as there are numerous factors that will affect the amount ultimately payable. Those uncertainties may result in future actual expenditures that are different than the amounts currently recorded. At each reporting date, as more information and experience is obtained as it relates to these asset retirement obligations, the estimates of the timing, the undiscounted cash flows and the discount rates may change.

District of 100 Mile House
Notes to the Financial Statements

December 31, 2025

14. Budget

The budget data presented in these financial statements is based upon the 2025 operating and capital budgets approved as the 2025 to 2029 Financial Plan by Council on April 22, 2025. The legislative requirements for the Financial Plan are that the cash inflows for the period must equal planned cash outflows.

Cash inflows and outflows budgeted for include such items as transfers to and from reserves, transfers to and from operating surpluses and proceeds on sale of assets. These items are not recognized as revenues and expenses in the Statement of Operations as they do not meet the definition of such under public sector accounting standards. PSAB requires that budget figures be presented on the same basis of accounting as actual figures.

The chart below reconciles the budget figures reported in these financial statements.

	<u>2025</u>
Budget surplus per Statement of Financial Activities	\$ 3,719,445
Adjust for budgeted items not included in Statement of Financial Activities:	
Transfers from reserve funds	7,117,360
Acquisition of tangible capital assets	(12,637,225)
Non-cash items - amortization	<u>1,800,420</u>
Financial Plan (Budget) Bylaw surplus for the year	\$ <u> -</u>

December 31, 2025

15. Financial Instruments

The District is potentially exposed to credit risk, market and interest rate risk, and liquidity risk from the District's financial instruments. Qualitative and quantitative analysis of the significant risks from the District's financial instruments is provided below by type of risk.

There have not been any changes from the prior year in the District's exposure to above risks or the policies, procedures and methods it uses to manage and measure the risks.

Credit risk

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. The District is exposed to credit risk through its cash, accounts receivable, and short-term investments.

The District manages its credit risk by:

- Ensuring receivables are primarily government organizations
- Having legislated collateral over taxes receivable from highly diversified nature of residents of the District
- Holding cash and guaranteed investment certificates at federally regulated chartered banks with cash accounts insured

The District measures its exposure to credit risk based on:

- By how long amounts have been outstanding from government organizations regarding capital projects and other
- Based on historical experience regarding collections

The maximum exposure to credit risk at the financial statement date is the carrying value of its cash and accounts receivable as outlined in Note 3. Accounts receivable arise primarily as a result of utilities, and grants receivable. Based on this knowledge, credit risk of cash and accounts receivable are assessed as low.

The District manages exposure to credit risk for short-term investments by ensuring adequate diversification and by maintaining its investments in the Ministry of Finance Authority which meets the investment requirements of Section 183 of the Community Charter of the Province of BC. As a result, the District has reduced exposure to market or value risk. The maximum exposure to credit risk on short-term investments is outlined in Note 2.

Liquidity risk

Liquidity risk is the risk that the District will encounter difficulty in meeting obligations associated with financial liabilities. The District is exposed to liquidity risk through its accounts payable, long-term debt, and investments.

The District manages this risk by staggering maturity dates of investments based on cash flow needs. Also to help manage the risk, the District has in place a planning, budgeting and forecasting process to help determine the funds required to support the normal operating requirements. The District's five-year financial plan is approved by the Mayor and Council, which includes operational activities and capital investments. The District measures its exposure to liquidity risk based on cash flow needs versus available cash.

December 31, 2025

15. Financial Instruments (continued)

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The District is exposed to interest rate risk through its long-term debt and the value of short-term investments.

The District manages interest rate risk on its long-term debt by holding all debt through MFA at a fixed rate, with refinancing typically being completed at the ten or fifteen year mark. Therefore, fluctuations in market interest rates would not impact future cash flows and operations relating to long-term debt. See Note 9 for interest rates and maturity dates for long term debt.

Investments that are subject to interest rate risk are MFA pooled investment funds (see Note 2). The risk is caused by changes in interest rates. As interest rates rise, the fair value of the MFA pooled investment funds notes decrease and, as interest rates fall, the fair value of these investments increase.

As a result of diversification by security type, only a portion of the overall investment portfolio is exposed to interest rate risk. As at December 31, 2025 the amount of the investment portfolio exposed was \$526,403 (2024 - \$5,680,229) per Note 2.

To mitigate interest rate risk and market risk on its short-term investments, the District holds its MFA long term pooled investment funds for 10 years or longer.

16. Comparative Figures

Certain comparative figures have been adjusted to conform to changes in the current year presentation.

17. Segmented Information

The District is a diversified municipal government institution that provides a wide range of services to its citizens such as transit, public housing, police, fire and water. Distinguishable functional segments have been separately disclosed in the segmented information. The nature of the segments and the activities they encompass are as follows:

General government

General government operations provide the functions of corporate administration, finance, human resources, legislative services, building services and maintenance, and any other functions not categorized to a specific department.

Protective services

Protective services is comprised of bylaw enforcement, and the fire department.

December 31, 2025

17. Segmented Information (continued)

Solid waste management and recycling

Solid waste management and recycling comprises of the collection, disposal and recycling of solid waste.

Public Health

Public health services comprises of cemetery services.

Planning and development

Planning and development includes services related to planning and zoning, Woodlot #577, logging, weed control and 100 Mile Development Corporation.

Transportation services

Transportation services includes the municipal public works services related to the planning, development, and maintenance of roadway systems, street lighting, airport, snow removal, parking and transit services.

Parks, recreation and culture

Parks, recreation and culture provides for the delivery of municipal recreation programs and the services related to the planning, development and maintenance of parklands and park infrastructure, and the maintenance of open space and other recreation space and facilities.

Water and sewer utilities

The District is responsible for environmental programs including the engineering and operation of the potable water and wastewater systems.

Certain allocation methodologies are employed in the preparation of segmented financial information. Taxation and payments-in-lieu of taxes are allocated to the segments based on the segment's budget net expenditure. The various user charges and other revenues have been allocated to the segments based upon the segment that generated the revenue. Government transfers have been allocated to the segment based upon the purpose for which the transfer is made. Development charges earned and developer contributions received are allocated to the segment for which the charge was collected.

The accounting policies used in these segments are consistent with those followed in the preparation of the financial statements as disclosed in Note 1.

2025 Statements of Financial Information Report Background

What is the 'Statements of Financial Information' Report (SOFI) report?

The SOFI report is a regulatory requirement for all British Columbian municipalities, submitted by June 30 each year to the Ministry of Community, Sport and Cultural Development. The purpose of the SOFI is to report the financial statements and disbursements for employee remuneration, goods and services. Financial Information Act (FIA) regulations require that the SOFI is available for public examination for 3 years once released. The SOFI includes the municipality's audited financial statements and schedules regarding remuneration paid to the Mayor and Council, a listing of the municipal employees and their positions who have remuneration over the threshold amount of \$75,000, amounts paid to suppliers of goods and/or services to which the municipality paid a total of exceeding \$25,000 including GST and any other taxes during the year. The schedules are prepared for the provincial government and are prepared according to the FIA regulations. It should be noted that SOFI schedules are not the District of 100 Mile House financial statements. Amounts appearing in the SOFI report are based on when payments were made rather than the accrual basis normally used for financial statement presentation.

How to interpret the financial information:

Staff remuneration

The remuneration amounts disclosed in the SOFI report incorporate several inclusions: any form of salary, wages and taxable benefits. Depending on the year, in addition to regular pay, total remuneration may include overtime pay, statutory holiday pay, payments of accrued vacation, sick and banked overtime, and retroactive pay rate changes. With each of these variables changing from year to year, the remuneration amounts will fluctuate annually.

Staff expenses

The figures under expenses include employee costs such as: mileage to meetings, event registration fees, and professional accreditation. The FIA specifically states that expenses "...are not limited to expenses that are generally perceived as perquisites or bestowing personal benefit and may include expenditures required for employees to perform their job functions".

Supplier payments

For goods or services purchased by the organization, the SOFI report includes a summary of payments made to outside organizations which total more than \$25,000 for the reporting year.

Statement of Financial Information Approval

The undersigned, as authorized by the Financial Information Regulation, Schedule 1, Subsection 9(2), approves all the statements and schedules included in this Statement of Financial Information, produced under the **Financial Information Act**.

Sheena Elias
Director of Financial Administration

Maureen Pinkney
Mayor, District of 100 Mile House

**Management's Responsibility
For Financial Reporting**

The preparation of information in these financial Statements is the responsibility of management. The consolidated financial statements have been prepared in accordance with accounting principles generally accepted for British Columbia municipalities and are outlined under "Significant Accounting Policies" in the notes to the financial statements.

Management maintains a system of internal accounting controls to provide reasonable assurance that assets are safeguarded and that transactions are authorized, recorded and reported properly. Management also maintains a program of proper business compliance.

BDO Canada LLP, the District's independent auditors, have audited the accompanying financial statements. Their report accompanies this statement.

Sheena Elias
Director of Financial Administration

Schedule of Remuneration and Expenses - 2025

Elected Officials

Name	Position	Remuneration	Travel & Conferences	Total
Maureen Pinkney	Mayor	\$ 21,791.16	\$ 8,046.59	\$ 29,837.75

Marty Norgren	Councillor	11,257.76	3,706.28	14,964.04
		\$ 65,622.23	\$ 20,421.48	\$ 86,043.71

Employees earning more than \$75,000 per year

Name	Position	Base Salary	Travel & Conferences	Total
Bissat, David	Fire Chief	\$ 100,964.19	\$ 4,164.03	\$ 105,128.22
Boulanger, Tammy	Chief Administrative Officer	154,640.53	2,037.73	156,678.26
Conway, Todd	Director of Community Services	151,318.80	401.53	151,720.33
Dickerson, Josh	Manager of Recreation	91,343.09		91,343.09
Doddridge, Joanne	Director of Planning & Ec. Dec.	102,695.77	152.00	102,847.77
Donnelly, Paul	Water & Sewer Operator	93,671.83	992.28	94,664.11
Edge, Dave	Mechanic	83,442.57		83,442.57
Elias, Sheena	Director of Finance	99,814.29	8,551.18	108,365.47
Parker, Jonathan	Operations Foreman	76,204.15	4,588.32	80,792.47
Rislund, Joey	Jr. Water & Sewer Operator	75,736.53		75,736.53
Sparreboom, Cole	Deputy Fire Chief	86,207.90	3,114.76	89,322.66
Todd, Barry	Water & Sewer Operator	89,469.01	1,563.00	91,032.01
		\$ 1,205,508.66	\$ 25,564.83	\$ 1,231,073.49

Employees earning less than \$75,000 per year

Consolidated total of other employees with remuneration less than \$75,000	\$ 726,248.29	\$ 51,542.11	\$ 777,790.40
--	---------------	--------------	---------------

Total Remuneration	\$ 1,997,379.18	\$ 97,528.42	\$ 2,094,907.60
---------------------------	------------------------	---------------------	------------------------

Explanation of Variance

The variance between the remuneration schedule and the salaries and benefits reported in the consolidated financial statements of the District are attributable to a number of factors including: the remuneration schedules are based on actual payments made in the year (including payouts of vacation, Emergency Operations Centre overtime paid by the Province of BC, overtime banks, personal needs time bonuses, retirement allowances and taxable benefits) whereas the financial statement figure is determined on an accrual basis.

6 (2) (b)	List alphabetically each employee whose total remuneration exceeds \$75,000 and the total expenses for each [excluding the persons listed under 6 (2) (a)]	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	
6 (2) (c)	Include a consolidated total for employees whose remuneration is \$75,000 or less [excluding the persons listed under 6 (2) (a)]	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	
6 (2) (d)	Reconcile or explain any difference between total remuneration in this schedule and related information in the operational statement	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	
6 (3)	Exclude personal information other than name, position, function or remuneration and expenses of employees	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	

FIR Schedule 1 Section	Item	Yes	No	N/A	Comments
Schedule of Remuneration and Expenses (See Guidance Package for suggested format)					
6 (6)	Report the employer portion of EI and CPP as a supplier payment to the Receiver General for Canada rather than as employee remuneration	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	
6 (7) (a) 6 (7) (b)	Include a statement of severance agreements providing: <ul style="list-style-type: none"> • the number of severance agreements under which payment commenced in the fiscal year being reported on for non-union employees, and • the range of equivalent months' compensation for them (see Guidance Package for suggested format)	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	
6 (8)	Provide the reason for omitting a statement of severance agreements in a note to the schedule of remuneration and expenses	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	
Schedule of Suppliers of Goods or Services (See Guidance Package for suggested format)					
7 (1) (a)	List in alphabetical order all suppliers of goods and services who received aggregate payments exceeding \$25,000	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	
7 (1) (b)	Include a consolidated total of all payments to suppliers who received \$25,000 or less	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	
7 (1) (c)	Reconcile or explain any difference between the consolidated total and related figures in the operational statement	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	
7 (2) (b)	Include a statement of payments for the purposes of grants or contributions	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	

FIR Schedule 1 Section	Item	Yes	No	N/A	Comments
Inactive Corporations					
8 (1)	The ministry reports for the corporation if the corporation is not operating to the extent required to produce a SOFI	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
8 (2) (a)	The ministry's report contains the statements and schedules required under section 1 (1), to the extent possible	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
8 (2) (b)	The ministry's report contains a statement of the operational status of the corporation (see Guidance Package regarding what to include)	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
Approval of Financial Information					
9 (1)	Corporations other than municipalities – the SOFI is signed as approved by the board of directors or the governing body (see Guidance Package for example)	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
9 (2)	Municipalities – the SOFI is approved by its council and by the officer assigned responsibility for financial administration (see Guidance Package for example)	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	
9 (3)	A management report is included, signed by the head and chief financial officer, or by the municipal officer assigned responsibility for financial administration (see examples in annual report at http://www.gov.bc.ca/cas/popt/)	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	
9 (4)	The management report explains the roles and responsibilities of the board of directors or governing body, audit committee, management, and the auditors	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	
9 (5)	Signature approvals required in section 9 are for each of the statements and schedules of financial information, not just the financial statements	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	

**District of
100 MILE HOUSE**

**COUNCIL REPORT
File No. 570-01**

Regular Council – May 26th, 2026

REPORT DATE: May 20, 2026
TITLE: Asset Disposal
PREPARED BY: S. Elias, Director of Finance

PURPOSE:

The purpose of this report is to obtain Council approval to advertise and dispose of the listed District assets.

RECOMMENDATION:

BE IT RESOLVED THAT the Memo from Finance dated May 26th, 2026 regarding asset disposal and the attached asset listing be received; and further

BE IT RESOLVED THAT Finance be authorized to publicly advertise and dispose of the listed assets as per the provisions of the District of 100 Mile House Asset Disposal provisions under the Policy & Procedures Manual for the District.

BACKGROUND INFORMATION / DISCUSSION:

As per the provisions of the District's Policy & Procedures Manual, Section 4.5 "Disposal of Assets (Equipment & Vehicles)" the Community Services Department provided an equipment listing for disposal under the provisions of the policy.

- V332 - 2013 Might E Truck (\$9,203 book value remaining)
- V308 & V308A - 2003 F350 with dump box (no salvage value)
- E316 – 1986 Skid Steer (no salvage value)

OPTIONS: N/A

BUDGETARY IMPACT: *Revenue from the sale of equipment assets are added into the equipment reserve for future equipment purchases.*

LEGISLATIVE CONSIDERATIONS (Applicable Policies and/or Bylaws):

District of 100 Mile House Policy 4.5 Disposal of Assets (Equipment & Vehicles)

ATTACHMENTS: *Asset Inventory Sheets (V332, V308, V308A, E316)*

Regular Council – May 26, 2026

REPORT DATE: May 25, 2026
TITLE: Lodge Floor Structural Improvements
PREPARED BY: S.Elias, Director of Finance

PURPOSE:

The purpose of this report is to seek Council approval for a direct award of the Lodge Floor Structural Improvements and related repairs portion of the Lodge project to Bittersweet Management Services Ltd. for \$60,940.00, plus applicable taxes.

RECOMMENDATION:

Recommended Resolution:

BE IT RESOLVED THAT the report from Finance dated May 25, 2026, regarding the Lodge Floor Structural Improvements project be received; and further

BE IT RESOLVED THAT Council waive the Purchasing Policy requirement for a formal competitive process in favour of a direct award due to limited contractor availability.

BE IT RESOLVED THAT Bittersweet Management Services Ltd. be awarded the Lodge Floor Structural Improvements and related repairs portion of the Lodge project for \$60,940.00, plus applicable taxes.

BACKGROUND INFORMATION / DISCUSSION:

The 2026 Capital Plan includes the Lodge Floor project. This project involves structural floor repairs and related improvements required to permit A2 occupancy on the main floor for museum use.

This award represents the first step toward museum readiness. Quotes for this phase were requested from multiple local contractors; however, only one quote was received. With the construction season underway and contractor availability limited, Bittersweet Management Services Ltd. is available to begin shortly after award.

This award represents a portion of the total project budget of \$99,855.00. The remaining \$38,916.00 is allocated to engineering, architectural, and life-safety repairs required to permit A2 occupancy on the first floor.

BUDGETARY IMPACT:

The 2026 Capital Budget for the Lodge project was approved at \$99,855.00.

LEGISLATIVE CONSIDERATIONS (Applicable Policies and/or Bylaws): N/A

Revised Quote for the Lodge:

I am thinking it will take my 3-man crew about 3 weeks to do the work outlined by Octo Engineering and some heating ducts may have to be modified to install additional floor joists.

I charge \$270 per hour for them plus 10% and materials at 10% over invoice

120 hours @ 270 =	32,400
Materials	5,000
Heating modifications	2,000
Sub-total	39,400
10 % Mark-up	3,940
Total	<u>\$ 43,340</u>

Plus GST

Main floor:

Framing repairs 10 hrs @ 270	2,700
Window	600
Electrical	2,000
Insulation	500
Drywall as discussed	5,000
Painting	2,000
Finishing 10 hrs @ 270	2,700
Misc. materials	500
Sub-total	16,000
10% Mark-up	1,600
Total	<u>\$17,600</u>

Plus GST

Let me know.
